Shakespeare's Unorthodox Biography:

Shakespeare's Unorthodox Biography Diana Price, 2012 **Shakespeare's Unorthodox Biography** Diana Price, 2001 It successfully argues that William Shakespeare was the pen name of an aristocrat and that William Shakespeare of Stratford upon Avon was a shrewd entrepreneur not a dramatist BOOK JACKET Shakespeare's Unorthodox Biography Diana Price, 2001 It successfully argues that William Shakespeare was the pen name of an aristocrat and that William Shakespeare of Stratford upon Avon was a shrewd entrepreneur not a dramatist BOOK JACKET **The Shakespeare Controversy** Warren Hope, Kim Holston, 2009-07-15 Theories stating that plays attributed to Shakespeare were in fact written by other authors have existed for more than 200 years some theories have been ridiculed and reviled while some have gained growing popular and scholarly support The history of the Shakespeare controversy is presented in this revised edition of the 1992 work with much new information and three additional chapters Part I documents and critically assesses the most important theories on the authorship question Part II is an annotated bibliography arranged chronologically of the many works that deal with the controversy from its vague beginnings to the present The Shakespeare Authorship Question and Philosophy Michael Quinn Dudley, 2023-10-17 For nearly 200 years people have questioned the identity of Shakespeare however this debate is often dismissed by most scholars as just a conspiracy theory with the life of the poet playwright being beyond doubt And yet the documented facts related to the man from Stratford are meagre where they exist at all forcing biographers to rely heavily on their own imaginations What does it mean to say that the traditional stance on Shakespeare's authorship is a belief as opposed to a search for knowledge What are the ethical implications of declaring that some history is beyond doubt and that no debate about it may be permitted What can theories of knowledge truth and rhetoric tell us about how knowledge of Shakespeare has been constructed and justified To the extent that this belief has consequences for society can it then be said to be an ethical one Finally what difference does it actually make from a pragmatic perspective who the Author was Highly original in its scope The Shakespeare Authorship Question and Philosophy sets out the debate's many profound philosophical dimensions concerning knowledge historiography truth and academic freedom implications that transcend the debate itself Shakespeare Was a Woman and Other Heresies Elizabeth Winkler, 2024-04-23 A delightful romp through the Shakespeare authorship question exploring how doubting that William Shakespeare wrote the plays attributed to him became an act of blasphemy and who the Bard might really be **Documents of Shakespeare's England** John A. Wagner, 2019-10-01 This engaging collection of over 60 primary document selections sheds light on the personalities issues events and ideas that defined and shaped life in England during the years of Shakespeare's life and career Documents of Shakespeare's England contains more than 60 primary document selections that will help readers understand all aspects of life in Elizabethan and Jacobean England The book is divided into 12 topical sections such as Politics and Parliament London Life and Queen and Court which offer five document selections each Each document is preceded by a detailed introduction

that puts the selection into historical context and explains why it is important A general introduction and chronology help readers understand Shakespeare s England in broad terms and see connections causes and consequences Bibliographies of current and useful print and electronic information resources accompany each document and a general bibliography lists seminal works on Shakespeare s England This is an engaging and accurate introduction to the England of William Shakespeare told in the words of those who experienced it **William Shakespeare** , The Apocryphal William Shakespeare Sabrina Feldman,2011-10 Sabrina Feldman manages the Planetary Science Instrument Development Office at the NASA Jet Propulsion Laboratory Born and raised in Riverside California she attended college and graduate school at the University of California at Berkeley where she enjoyed the wonderful performances of the Berkeley Shakespeare Company studied Shakespeare s works for a semester with Professor Stephen Booth and received a Ph D in experimental physics in 1996 She has worked on many different instrument development projects for NASA and is the former deputy director of JPL s Center for Life Detection Her scientific training combined with a lifelong love of literature and all things Shakespearean gives her a unique perspective on the Shakespeare authorship mystery Dr Feldman lives in Pasadena California with her husband and two children This is her first book If William Shakespeare wrote the Bard s works Who wrote the Shakespeare Apocrypha During his lifetime and for many years afterwards William Shakespeare was credited with writing not only the Bard s canonical works but also a series of apocryphal Shakespeare plays Stylistic threads linking these lesser works suggest they shared a common author or co author who wrote in a coarse breezy style and created very funny clown scenes He was also prone to pilfering lines from other dramatists consistent with Robert Greene s 1592 attack on William Shakespeare as an upstart crow The anomalous existence of two bodies of work exhibiting distinct poetic voices printed under one man s name suggests a fascinating possibility Could William Shakespeare have written the apocryphal plays while serving as a front man for the poet in purple robes a hidden court poet who was much admired by a literary coterie in the 1590s And could the poet in purple robes have been the great poet and statesman Thomas Sackville 1536 1608 a previously overlooked authorship candidate who is an excellent fit to the Shakespearean glass slipper Both of these scenarios are well supported by literary and historical records many of which have not been previously considered in the context of the Shakespeare authorship debate **Shakespeare's Library** Stuart Kells,2020-04-14 A tantalizing true story of one of literature s most enduring enigmas is at the heart of this lively even sprightly book Michael Dirda The Washington Post the quest to find the personal library of the world s greatest writer Millions of words of scholarship have been expended on the world s most famous author and his work And yet a critical part of the puzzle Shakespeare s library is a mystery For four centuries people have searched for it in mansions palaces and libraries in riverbeds sheep pens and partridge coops and in the corridors of the mind Yet no trace of the bard s manuscripts books or letters has ever been found The search for Shakespeare s library is much more than a treasure hunt Knowing what the Bard read informs our reading of his work and it offers insight into the mythos of

Shakespeare and the debate around authorship The library's fate has profound implications for literature for national and cultural identity and for the global Shakespeare industry It bears on fundamental principles of art identity history meaning and truth Unfolding the search like the mystery story that it is acclaimed author Stuart Kells follows the trail of the hunters taking us through different conceptions of the library and of the man himself Entertaining and enlightening Shakespeare's Library is a captivating exploration of one of literature's most enduring enigmas An engaging and provocative contribution to the unending world of Shakespeariana An enchanting work that bibliophiles will savor and Shakespeare fans adore Kirkus Reviews
