The use of language in Act 2 Scene of Shakespeares Romeo and Juliet Essay Example

In this essay, I will be examining Shakespeare's use of language in Act 2 Scene 2 of Romeo and Juliet. I will also be looking close up at the events in those scenes which foreshadow the inevitable plot at the end of the play. Romeo has just seen Juliet and both of them are in love. Romeo is cherished by his family and Juliet is outlines as a princess who never has to do any work, she has the world's jewels and essentials done for her. Her decision making in life is easily done by her parents.

Love at first sight, as both of them get deeper and deeper in love with each other, they discover that they both belong to their families most hated enemies family tree. Both of the characters believe that their affection for each other is eternal and true so pay no attention to the families and challenge their prestige and authority. This creates confusion and a dynamic mood as the reader is anticipated to read on. Romeo praises Juliet so much that it shows his boundless love and admiration towards Juliet in act 2 scene 2.

"Juliet is the sun", portrays that Juliet is a powerful female, so attractive that she is as striking as the sun. She is an outline figure which brightens the darkness; this shows that Juliet has lightened Romeo's life full of joy and love which caused Romeo to be madly in love with her at first sight. Romeo is in deep love with Juliet as the quote "kill the envious moon" this suggests that Juliet is so valuable towards Romeo that he could not think of a better compliment to praise Juliet than stating her status as superior to the moon; this suggested how important and dominant she became as part of Romeo's life.

Romeo's love is as deep as the sea which shows that his feelings are not false, for revenge for his family. "Her eyes... twinkle in their spheres", implies that Juliet was Romeo's life as he gave her the importance of his world where everything revolved around her. Juliet is portrayed as a divine Goddess as her beauty shames all around her. "The brightness of her cheeks would shame those stars as daylight doth a lamp" images that Juliet was so priceless to Romeo, Romeo may only see the physical beauty of Juliet as she is so attractive that what she speaks could be pure full of love.

This creates a sense of doubt as the reader questions Romeo's love as he is complimenting her physical features and not her verbal or mental output. Romeo sees Juliet as a God's gift from heaven which has fallen into the thriving Romeo. "Thou art as glorious to this night... messenger from heaven" implies that Juliet was holy and pure which attracted Romeo towards her, this reassures the reader that Juliet whole character is pure and attractive which erases the doubts created by Romeo verbal compliments towards her. A sense of regret and passion is created as Juliet hopes Romeo was not a Montague, the son of her family's hated rivals.

Deny thy father ad refuse thy name", shows that Juliet is full of optimism and
