Shakti and shakta Arthur Avalon,2018-10-22 There is no word of wider content in any language than this Sanskrit term meaning Power For Shakti in the highest causal sense is God as Mother and in another sense it is the universe which issues from Her Womb And what is there which is neither one nor the other Therefore the Yoginihridaya Tantra thus salutes Her who conceives bears produces and thereafter nourishes all worlds Obeisance be to Her who is pure Being Consciousness Bliss as Power who exists in the form of Time and Space and all that is therein and who is the radiant Illuminatrix in all beings It is therefore possible only to outline here in a very general way a few of the more important principles of the Shakti doctrine omitting its deeply interesting practice Sadhana in its forms as ritual worship and Yoga Today Western science speaks of Energy as the physical ultimate of all forms of Matter So has it been for ages to the Shaktas as the worshippers of Shakti are called But they add that such Energy is only a limited manifestation as Mind and Matter of the almighty infinite Supreme Power Maha Shakti of Becoming in That Tat which is unitary Being Sat itself
