SHAMANISM, RACISM, AND HIP HOP CULTURE

*Essays on White
Supremacy and
Black Subversion*

JAMES W. PERKINSON

Shamanism Racism And Hip Hop Culture

Christina Zanfagna

Shamanism Racism And Hip Hop Culture:

Shamanism, Racism, and Hip Hop Culture James W. Perkinson, 2005-07-07 Shamanism Racism and Hip Hop Culture is a groundbreaking collection of essays exploring the five hundred year history of white Christian hegemony that has so profoundly shaped American society James W Perkinson explores the idea that American identity and history are profoundly informed by an on going interweaving of white entitlement and black disenfranchisement that constrains other forms of cultural struggle

Historical Dictionary of Shamanism Graham Harvey, Robert J. Wallis, 2015-12-15 A remarkable array of people have been called shamans while the phenomena identified as shamanism continues to proliferate This second edition of the Historical Dictionary of Shamanism contains with examples from antiquity up to today and from Siberia where the term shaman originated to Amazonia South Africa Chicago and many other places Many claims about shamans and shamanism are contentious and all are worthy of discussion In the most widespread understandings terms seem to refer particularly to people who alter states of consciousness or enter trances in order to seek knowledge and help from powerful other than human persons perhaps spirits But this says only a little about the artists community leaders spiritual healers or hucksters travelers in alternative realities and so on to which the label shaman has been applied This second edition contains a chronology an introduction and extensive bibliography The dictionary contains over 500 cross referenced dictionary entries on individuals groups practices and cultures that have been called shamanic This book is an excellent access point for students researchers and anyone wanting to know more about Shamanism

The A to Z of Shamanism Graham Harvey, Robert J. Wallis, 2010-04-01 Few religious traditions have generated such diversity and stirred imaginations as shamanism In their engagements with other worlds shamans have conversed with animals and ancestors and have been empowered with the knowledge to heal patients advise hunters and curse enemies Still other shamans aided by rhythmic music or powerful plant helpers undertake journeys into different realities where their actions negotiate harmony between human and other than human communities Once relegated to paintings on cave walls today Shamanism can be seen in performances at rave clubs and psychotherapeutic clinics The A to Z of Shamanism has the dual task of exploring the common ground of shamanic traditions and evaluating the diversity of both traditional indigenous communities and individual Western seekers This is done in an introduction a bibliography a chronology and hundreds of cross referenced dictionary entries which explore the consistent features of a variety of shamans the purposes shamanism serves the function and activities of the shaman and the cultural contexts in which they make sense

Kendrick Lamar and the Making of Black Meaning Christopher M. Driscoll, Monica R Miller, Anthony B. Pinn, 2019-09-25 Kendrick Lamar has established himself at the forefront of contemporary hip hop culture Artistically adventurous and socially conscious he has been unapologetic in using his art form rap music to address issues affecting black lives while also exploring subjects fundamental to the human experience such as religious belief This book is the first to provide an interdisciplinary academic analysis of the impact of

Lamar's corpus In doing so it highlights how Lamar's music reflects current tensions that are keenly felt when dealing with the subjects of race religion and politics Starting with Section 80 and ending with DAMN this book deals with each of Lamar's four major projects in turn A panel of academics journalists and hip hop practitioners show how religion in particular black spiritualities take a front and center role in his work They also observe that his astute and biting thoughts on race and culture may come from an African American perspective but many find something familiar in Lamar's lyrical testimony across great chasms of social and geographical difference This sophisticated exploration of one of popular culture's emerging icons reveals a complex and multi faceted engagement with religion faith race art and culture As such it will be vital reading for anyone working in religious African American and hip hop studies as well as scholars of music media and popular culture

The Cambridge Companion to Hip-Hop Justin A. Williams, 2015-02-12 This Companion covers the hip hop elements methods of studying hip hop and case studies from Nerdcore to Turkish German and Japanese hip hop **Religion in Hip Hop** Monica R. Miller, Anthony B. Pinn, Bernard 'Bun B' Freeman, 2015-04-23 Now a global and transnational phenomenon hip hop culture continues to affect and be affected by the institutional cultural religious social economic and political landscape of American society and beyond Over the past two decades numerous disciplines have taken up hip hop culture for its intellectual weight and contributions to the cultural life and self understanding of the United States More recently the academic study of religion has given hip hop culture closer and more critical attention yet this conversation is often limited to discussions of hip hop and traditional understandings of religion and a methodological hyper focus on lyrical and textual analyses *Religion in Hip Hop Mapping the Terrain* provides an important step in advancing and mapping this new field of Religion and Hip Hop Studies The volume features 14 original contributions representative of this new terrain within three sections representing major thematic issues over the past two decades The Preface is written by one of the most prolific and founding scholars of this area of study Michael Eric Dyson and the inclusion of and collaboration with Bernard Bun B Freeman fosters a perspective internal to Hip Hop and encourages conversation between artists and academics *Political Spirituality in an Age of Eco-Apocalypse* James W. Perkinson, 2015-07-22 This book hunts and gathers across different historical epochs and situations juxtaposing biblical materials and hip hop Christian colonialism and vodou personal experience and racial politics poetics and high theory in order to challenge the current crisis of sustainability from the perspective indigenous communities and deep ancestry Holy Hip Hop in the City of Angels Christina Zanfagna, 2017-08-29 A free ebook version of this title is available through Luminos University of California Press's Open Access publishing program for monographs Visit www.luminosoa.org to learn more In the 1990s Los Angeles was home to numerous radical social and environmental eruptions In the face of several major earthquakes and floods riots and economic insecurity police brutality and mass incarceration some young black Angelenos turned to holy hip hop a movement merging Christianity and hip hop culture to save themselves and the city Converting street corners to open air churches and gangsta

rap beats into anthems of praise holy hip hoppers used gospel rap to navigate complicated social and spiritual realities and to transform the Southland's fractured terrains into musical Zions Armed with beats rhymes and bibles they journeyed through black Lutheran congregations prison ministries African churches reggae dancehalls hip hop clubs Nation of Islam meetings and Black Lives Matter marches Zanfagna's fascinating ethnography provides a contemporary and unique view of black LA offering a much needed perspective on how music and religion intertwine in people's everyday experiences **Tribal and**

the Cultural Legacy of Streetwear G. James Daichendt, 2024-03-12 Tribal Streetwear is lifestyle streetwear brand that seeks to represent a variety of southern California sub cultures that includes graffiti street art skateboarding surfing tattoos hip hop breakdancing punk lowriders and custom culture Based in San Diego California Tribal has strong Chicano roots in its aesthetic and spans the globe with retail stores on several continents The text presents a series of articles essays and personal reflections that explore the various dimensions of Tribal Streetwear and how the impact of their designs continues to balance the precarious act of being relevant and responsible with their resources The book is divided into four sections Section 1 features essays that set a context for the text This includes a history of Tribal and where it fits within the history of streetwear a personal narrative of the founding of Tribal and lastly an essay on the uniqueness of southern California aesthetics and the fascination with this southern California inspired fashion Section 2 is a series of interviews with notable artists musicians and cultural tastemakers that have contributed toward street culture and Tribal These include Mr Cartoon tattoo artist RISK graffiti artist PERSUE street artists Mike Giant tattoo artist Dyse One graffiti artist Craig Craig Stecyk III skateboard culture Bob Hurley surf culture and the Beastie Boys hip hop Section 3 includes a series of invited and peer reviewed academic articles on distinct subjects within the street culture genre that further dive into the inputs and influences of Tribal Streetwear They include breakdancing surfing skateboarding graffiti street art tattooing music hip hop punk lowriders custom culture and Chicano Studies Section 4 is a series of photo essays that capture the three decades of Tribal Streetwear and serves as a visual history of the brand and the evolution of its graphics **Interrupting White**

Privilege Laurie M. Cassidy, Alexander Mikulich, 2007 More than twenty five years have passed since the publication in 1979 of *Brothers and Sisters to Us* the U S Bishops statement against racism and during this time white Catholic theologians have remained relatively silent on this topic In this hard hitting study prominent Roman Catholic theologians address white privilege and the way it contributes to racism They maintain that systems of white privilege are a significant factor in maintaining evil systems of racism in our country and that most white theologians and ethicists remain ignorant of their negative impact
