Shame Its Sisters:

Politics and Affect in Black Women's Fiction Kathy Glass, 2017-12-15 Exploring literary possibilities Politics and Affect reads black women's text in particular Frances Harper's *The Two Offers* 1859 Julia Collins's *The Curse of Caste* 1865 Nella Larsen's *Quicksand* 1928 and Danzy Senna's *Caucasia* 1998 as richly creative documents saturated with sociopolitical value Interested in how African American women writers from the nineteenth century to the present have mined the politics of affect and emotion to document love shame and suffering in environments shaped by race Kathy Glass gives sustained attention to the impact of racist affect on the black body and examines how black women writers deploy emotional states to engender sociopolitical change

Dangerous Sisters of the Hebrew Bible Amy Kalmanofsky, 2014 Fathers sons and mothers take center stage in the Bible's grand narratives Amy Kalmanofsky observes Sisters and sisterhood receive less attention in scholarship but she argues play an important role in narratives revealing anxieties related to desire agency and solidarity among women playing out and playing against their roles in a patrilineal society Most often she shows sisters are destabilizing figures in narratives about family crisis where property patrimony and the resilience of community boundaries are at risk Kalmanofsky demonstrates that the particular role of sisters had important narrative effects revealing previously underappreciated dynamics in Israelite society

Mixed Feelings and Vexed Passions F. Scott Spencer, 2017-10-05 A ground breaking collection exploring the rich array of emotions in biblical literature An international team of Hebrew Bible and New Testament scholars offers incisive case studies of passions displayed by divine and human figures in the biblical texts ranging from joy happiness and trust to grief hate and disgust Essays address how biblical characters' feelings affect their relationship with God one another and the world and how these feelings mix together for good or ill for flourishing or vexation Deeply engaged with both ancient and modern contexts including the burgeoning interdisciplinary study of emotion in the humanities and sciences these essays break down the artificial divide between reason and passion cognition and emotion thought and feeling in biblical study Features Case studies drawn from multiple genres across the Bible narrative prophets poetry wisdom Gospels and letters Helpful select bibliographies of interdisciplinary resources at the end of each essay Critical balance between theory and practice and between method and close textual analysis Distinctive ancient Hebrew and Greek uses of emotional terms and concepts compared with each other and with evolving understandings in Western culture

The Holy Book Of El Shaddai Efren Gamboa, 2017-06-30 The Hebrew name of God in the holy writings is El Shaddai El means God Creator and Shaddai means Almighty El Shaddai is the name of God Although we read other names given to God in the Old Testament none of those names are the true name of God Names such as Lord Yahweh and Jehovah were never spoken or pronounced in Israel in the entire Old Testament as their god Before the Kingdom of Judah fell El Shaddai warns the Judeans that their false prophets have changed his name with Baal which is the same name as Lord And it shall be at that day says El Shaddai that you shall call Me Ishi my beloved and shall call Me no more Baali my lord For I will

take away the names of the Baalim lords gods out of their mouth and they shall no more be mentioned by their name
