Shanghai Tango:

Shanghai's Dancing World Andrew Field,2010 It was thanks to its cabarets that Old Shanghai was called the Paris of the Orient No one has studied the rise and fall of those cabarets more extensively than Andrew Field His book is packed with fascinating information and attests on every page to his understanding of Shanghai s history LYNN PAN author of Sons of the Yellow Emperor

Shanghai's Dancing World Andrew David,2010-11-03 Drawing upon a unique and untapped reservoir of newspapers magazines novels government documents photographs and illustrations this book traces the origin pinnacle and ultimate demise of a commercial dance industry in Shanghai between the end of the First World War and the early years of the People s Republic of China Delving deep into the world of cabarets nightclubs and elite ballrooms that arose in the city in the 1920s and peaked in the 1930s the book assesses how and why Chinese society incorporated and transformed this westernized world of leisure and entertainment to suit its own tastes and interests Focusing on the jazzage nightlife of the city in its golden age the book examines issues of colonialism and modernity urban space sociability and sexuality and modern Chinese national identity formation in a tumultuous era of war and revolution

Shanghai Tango Xing Jin,Catherine Texier,2007 Jin Xing is a former prima ballerina one of the brightest stars of the Shanghai Ballet But her journey to international fame was fraught with difficulty because Jin Xing was in fact born a man From an early age she was intensely uncomfortable with her gender a young boy dreaming of becoming a ballerina and a princess Unable to understand or put words to these feelings she immersed herself in ballet dancing her first love Before long her precocious talent was noted and at the age of nine in spite of her parents concerns she joined the People s Liberation Army Dance Corps There she received both dance and military training and attained the rank of Colonel The curtains opened on a new act in her life when at the age of 19 she received an arts scholarship to study modern dance in New York While there she discovered for the first time that it was possible to change sex She took the singularly courageous decision to return to China to undergo one of the first full sex change operations the country had ever witnessed The dream she had nurtured from youth of becoming a woman finally became a reality As dramatic graceful and deeply felt as a pas de deux *Shanghai Tango* is a deeply personal and inspiring account of growing up in a body that feels alien and of braving pioneering surgery in communist China The Story Station website

Contemporary Chinese Print Media Zheng Yi,2013-10-01 This book examines the transformations in form genre and content of contemporary Chinese print media It describes and analyses the role of post reform social stratification in the media focusing particularly on how the changing practices and institutions of the industry correspond to and accelerate the emergence of a relatively affluent urban leisure reading market It argues that this reinvention of Chinese print media vis vis the creation of a post socialist taste class culture is an essential part of the cultural and affective transformations in contemporary Chinese society and demonstrates how the reinvention of such taste culture effectively creates through new

kinds of reading materials and carefully demarcated target audiences a middle class civility that serves as the locus of the new niche media market **Kinesthetic City** SanSan Kwan,2013-02-07 Kinesthetic City uses choreography as subject and method to explore how movement through particular spaces at precise moments can illuminate the communities in those places and times It examines the simultaneous persistence and mobility of the idea of Chineseness as it travels across a transnational network of Chinese cities *Middle Class Shanghai* Cheng Li,2021-05-11 The United States may be headed toward a disastrous conflict with China unless Washington updates its understanding of contemporary Chinese society After four decades of engagement the United States and China now appear to be locked on a collision course that has already fomented a trade war seems likely to produce a new cold war and could even result in dangerous military conflict The current deterioration of the bilateral relationship is the culmination of years of disputes disillusionment disappointment and distrust between the two countries Washington has legitimate concerns about Beijing s excessive domestic political control and aggressive foreign policy stances just as Chinese leaders believe the United States still has futile designs on blocking their country s inevitable rise to great power status Cheng Li s Middle Class Shanghai argues that American policymakers must not lose sight of the expansive dynamism and diversity in present day China The caricature of the PRC as a monolithic Communist apparatus set on exporting its ideology and development model is simplistic and misguided Drawing on empirical research in the realms of higher education avant garde art architecture and law this unique study highlights the strong constructive impact of bilateral exchanges Combining eclectic human stories with striking new data analysis this book addresses the possibility that the development of China s class structure and cosmopolitan culture exemplified and led by Shanghai could provide a force for reshaping U S China engagement Both countries should build upon the deep cultural and educational exchanges that have bound them together for decades The author concludes that U S policymakers should neither underestimate the role and strength of the Chinese middle class nor ostracize or alienate this force with policies that push it toward jingoistic nationalism to the detriment of both countries and the global community With its unique focus this book will enlighten policymakers scholars business leaders and anyone interested in China and its increasingly fraught relations with the United States Queer Literature in the Sinosphere Hongwei Bao,Yahia Zhengtang Ma,2024-10-17 Queer Literature in the Sinosphere is the most up to date English language study of lesbian gay bisexual transgender and queer LGBTQ themed literature and culture in the Chinese speaking world From classical homoerotic texts to contemporary boys love fan fiction this book showcases the richness and diversity of queer Chinese literature across the full spectrum of genres styles topics and cultural politics The book features authors and literary works from mainland China Hong Kong Taiwan Singapore and the global Chinese diaspora Featuring chapters by leading scholars from around the world this book rewrites literature history and culture from a queer lens in China and globally *Shanghai Tango* William Overgard,1989-01-01 *International Notices to Airmen* ,1979
