Shanghai Stella Dong, Captures the exoticism extremes and excitement of this legendary city [Shanghai](#) Stella Dong,2001-05-22 Transformed from a swampland wilderness into a dazzling modern day Babylon the Shanghai that predated Mao's cultural revolution was a city like no other redolent with opium and underworld crime booming with foreign trade blessed with untold wealth and marred by abject squalor Journalist Stella Dong captures all the exoticism extremes and excitement of this legendary city as if it were a larger than life character in a fantastic novel **Shanghai** Stella Dong,2000

firmly established their legal financial and social standing in the city The recent shift in the urban linguistic scene that silences the Shanghai dialect is ultimately part of the state led global city building process Through the association of the use of national language with realizing the China Dream the state further eliminates the unique vernacular characters of Shanghai
