Shapes of the Church to Come Michael Nazir-Ali, 2001 *Mission-Shaped Church* Archbishop's Council on Mission and Public Affairs, 2010-09 The world has changed but will the church keep up This seminal report from the Church of England evaluates the changing religious landscape and introduces exciting new forms of church that speak directly to their diverse mission contexts The Archbishop of Canterbury's Council on Mission and Public Affairs collaborated to research and produce the Mission Shaped Church report in 2004 and Seabury Books is the new North American Publisher *Mission-Shaped Church* Graham Cray, 2014-08-04 An overview of recent developments in church planting This detailed practical and well researched book describes the varied and exciting fresh expressions of church being created This edition includes a new foreward by the Rt Revd Graham Cray *Mission-shaped Church* , 2004 **The Shape of Faith to Come** Brad J. Waggoner, 2008-10-15 Various studies suggest Christians in North America are not qualitatively different in their character and practices than non believers While some churches are growing numerically many wonder to what impact Can we determine if our churches are producing Christians who look think and act like true followers of Jesus Christ In *The Shape of Faith to Come* research expert Brad J Waggoner and his team measure the beliefs and actions of 2 500 active Protestant churchgoers from across the country against seven key standards of Biblical spiritual formation Learning the truth Obeying God and denying self Sharing faith Serving God and others Exercising Biblical faith Building solid relationships Seeking God The findings reveal the current state and forecast of spiritual formation in the U S A Adding encouragement to his insights Waggoner calls all Christians to spiritual maturity and challenges church leaders to intentionally take up the mantle of making true disciples Endorsements Descriptive and prescriptive this work will be seen as one of the best books ever written on what is really taking place in the discipleship process of Christians Thom S Rainer coauthor of the 1 best seller *Simple Church* The elephant in the room of evangelicalism is the surprising lack of disciplined believers in all different kinds of churches We have produced a cafeteria Christianity rather than a robust orthodoxy and Jesus shaped spirituality In this challenging and disturbing book Brad Waggoner draws on twenty years of research in discipleship and spiritual formation to not just show us who we are but to point us to what we must do *The Shape of Faith to Come* will become a milestone as evangelicals begin to take discipleship seriously once again Ed Stetzer coauthor of *Lost and Found The Younger Unchurched and Churches that Reach Them* This book comes closer than any study with which I m familiar to providing an insightful and objective evaluation of the spiritual condition of the church in America Where is the church weak and where is she strong Some of the answers indicated by *The Shape of Faith to Come* may surprise you Donald S Whitney author of *Spiritual Disciplines for the Christian Life* *Mission-shaped Church* Mission and Public Affairs Council (Church of England), 2004 An overview of recent developments in church planting Detailed practical well researched book describes the varied and exciting fresh expressions of church being created Includes questions and challenges to help local churches engage with the

issues The Changing Shape of Church History Justo L. González, 2012-11 New different readings of church history are finally reflecting Christianity's deep roots in every culture worldwide. González listens to voices from centers other than the North Atlantic to help us see a different perspective of church history: a global story that includes those previously marginalized as he offers us a hopeful outlook for the future of world Christianity. *95 Questions to Shape the Future of Your Church* Thomas G. Bandy, 2011-12-01 95 Questions to Shape the Future of Your Church is a comprehensive commentary on systemic change for the church. It combines the spirit of Luther's 95 Theses with depth of insight akin to Luther's reformation catechism. This book will be essential for every congregational, denominational, and seminary bookshelf. Church leaders and members all yearn for a new Reformation that will realign Christian congregations with God's mission. This book frames the right questions and focuses the right answers. It helps church leaders do the hard work of assessment and planning. The next Reformation will be an extraordinarily practical endeavor. Leaders need to apply the tactics that will leverage the greatest change and guide the church deeper into the mystery of Christ and further in companionship with Christ. We want to be faithful. Now we know how to be faithful. *The shape of the church to come* Karl Rahner, 1977 *The Future Shape of Anglican Ministry* Donald M. Lewis, 2004 A new generation of leadership is emerging within the Anglican Communion. This book examines the challenges and opportunities facing these young leaders and Anglicanism more broadly. It explores the nature and shape of Anglican ministry in the new millennium. Designed for those who are considering ordination and those who are in training for the same, it is of appeal to lay leaders as well. Donald M. Lewis, DPhil, Oxford, is Professor of Church History and Academic Dean at Regent College in Vancouver, British Columbia. An active Anglican, he is also the secretary of Regent College's Anglican Studies Program.
