The Seven Stories that Shape Your Life Gerard Kelly (Author), 2016-02-15 The most basic questions everyone faces in life is Why am I here What is my purpose Gerard Kelly presents the stories that make up the overall story of God in the world And here we find our purpose for each of our individual Christian lives Our purpose is as distinctive as our fingerprint and we will connect with it when we connect with our identity and origin in God God remembers how he made us and is committed to the fruitfulness and fulfillment of our potential We discover the importance of finding our place of service and usefulness knowing that our lives have meaning in the purposes of God

ReCreatable Kevin Scott, 2014-01-24 **ReCreatable** begins with the story of a glass baking dish the delectable aroma of tantalizing brownies and an unseen defect that turns the promise of something delicious into a minor disaster leaving glass fragments and brownies irretrievably intermingled Both the dish and brownies are irrevocably lost The implications for us are inescapable created by God to reflect his glory and for his pleasure we have been broken by sin to the point that we are completely useless to accomplish the purpose for which we were made But unlike the shattered brownie dish that gets discarded as worthless God takes the shards of our lives and does the miraculous He does not simply fit us back together He takes those splinters of our destruction and uses them to re create us complete restored redeemed and fitted to do and be all that he ever intended for us **ReCreatable** leads us progressively through the impact of the creative genius of God in our lives It points us to the reality of restored relationships the resurrection of our role as true reflectors of God's glory and the revolutionary life that can be ours when we learn to be true disciples re created to live well for God

B. Becker,2022-03-23 Reclaiming the Soul of Your Faith is a provocative invitation for people especially that growing segment of the population who say they are spiritual not religious to examine what a faith looks like beyond the usual confines of organized religion **Bible for teenagers Increase your faith, strength and wisdom** ,2024-09-13 The work of translating the Bible is never finished As good as they are English translations must be regularly updated so that they will continue to communicate accurately the meaning of God s Word Updates are needed in order to reflect the latest developments in our understanding of the biblical world and its languages and to keep pace with changes in English usage Recognizing then that the NIV would retain its ability to communicate God s Word accurately only if it were regularly updated the original translators established the Committee on Bible Translation CBT The Committee is a self perpetuating group of biblical scholars charged with keeping abreast of advances in biblical scholarship and changes in English and issuing periodic updates to the NIV The CBT is an independent self governing body and has sole responsibility for the NIV text The Committee mirrors the original group of translators in its diverse international and denominational makeup and in its unifying commitment to the Bible as God s inspired Word *GPS: Finding Direction on Your Faith and Life Journey* John Strommen,2024-07-31 What s the point of it all In the postmodern world the meaning and direction of human existence is increasingly a question mark with few satisfying answers forthcoming People of faith are not immune to such questions as they struggle to meaningfully connect their faith to their daily lives In GPS Finding Direction on Your Faith and Life Journey Strommen makes the case that much of this existential struggle is born of an anthropocentric worldview that has banished God to the margins leaving humans with the futile task of playing God as they attempt to create their own meaning purpose and identity Drawing on core Christian understandings through a Lutheran lens the author asserts that life giving meaning and purpose are gifts given by God alone who frees people from their self justifying ways to take an inventory of their many gifts and participate in a new creation where love of neighbor is the social currency It is the core theme of this book that God is in fact present deeply invested and at work in the everyday world calling everyone daily to partner with God to co create a more trustworthy loving and hopeful world
