Shared Life The Trinity And The Fellowship Of Gods People:

Shared Life Donald Macleod, 2024-01-17 A 30th anniversary edition of a classic book on the Trinity by one of Britain's most prominent theologians Donald Macleod argues that our understanding of the Trinity matters because it is the model for the way we should live particularly in our relations with one another The relationship between Father Son and Spirit is laid out in Scripture and although fully grasping the concept of this divine mystery will always be beyond us we can understand it better It is critically important that we do for if our understanding of God is wrong it may lead to other wrong beliefs Donald Macleod's faithful insight into what Scripture has to say about the Godhead is priceless as relevant now as when it was first published This 30th anniversary edition has been newly typeset and has a new cover and will be an invaluable resource to a new generation of readers

Tradition? Patrick Navas,2011-07-07 In Divine Truth or Human Tradition the author critically examines the viewpoints and Scripture expositions of prominent evangelical scholars and apologists including Dr James R White author of The Forgotten Trinity Dr John MacArthur President of The Master s Seminary Wayne Grudem author of the widely read Systematic Theology Robert Morey author of The Trinity Evidence and Issues Robert L Reymond author of A New Systematic Theology of the Christian Faith and others According to what has long been considered mainstream Christian orthodoxy the doctrine of the Trinity the idea that the one God of the Bible is a singular being made up of three coequal and coeternal persons is not only central to the Christian faith but even necessary for one to accept in order to be counted as a true Christian and be saved Such a demand on a Christian s faith has come across as strange and perplexing to many especially so in light of the fact pointed out by one respected Trinitarian The Trinity is not clearly or explicitly taught anywhere in Scripture yet it is widely regarded as a central doctrine indispensable to the Christian faith In this regard it goes contrary to what is virtually an axiom that is a given a self evident truth of biblical doctrine namely that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church Millard J Erickson God in Three Persons p 11 Emphasis added Understandably this fact has raised questions in the minds of Christians and truth seekers alike ever since the doctrine was first articulated in the late 4th century Many Christians have wondered How can a doctrine that is not clearly or explicitly taught in the Bible be necessary to accept in order to be a true practitioner of the Christian faith God With Us and Without Us, Volume One Imad N. Shehadeh,2018-09-30 The revelation of the Trinity establishes that the relationship of the one true God with us springs from the relationship within himself without us The Trinity is not a problem to be solved but a beauty to be discovered Dr Imad N Shehadeh uses careful exegetical and theological analysis to explore the presentation of the triune God in Scripture and expertly navigate the reader through the errors and pitfalls regarding the Trinity This book explains the essential role that the perfect truth of a three in one God plays in being able to know God and be sure of his character Dr Shehadeh doesn t fear to tread on controversial ground but instead addresses key issues in theology the study of God such as the logic of the Trinity and whether the God of the Bible is the same as the god of other religions This first of two volumes is a valuable contribution to the theological academy but also is an accessible guide for anyone to encounter the perfect holy triune God God With Us and Without Us, Volumes One and Two Imad N. Shehadeh,2020-09-30 God as Trinity is at the core of the mystery and otherness of the divine nature of God It has also been a frequent barrier to those who hold to the Absolute Oneness of God In this combined work Dr Imad Shehadeh demonstrates the inevitability of the Trinity by exposing the conflict that Absolute Oneness faced historically Dr Shehadeh presents the beautiful logic of the Trinity and explains how the display of God s attributes in creation derives from the self sustaining relationships in his triune nature as Father Spirit and Son The book climaxes in revealing the transforming power of the

Trinity when applied to life Followers of Christ will find their worship and love of God enhanced through the rich truths this book contains followers of Islam will find confusion about the Triune God cleared up removing stumbling blocks to understanding the Bible's message

The Regeneration of the Christian and the Holy Spirit, *The Trinity, Practically Speaking* Frank D. Macchia, 2012-01-06 The Father the Son and the Holy Spirit in the Bible and in Christian experience are all vital to the reality of salvation But since the word Trinity does not appear in the Bible many people wonder whether the doctrine is anything more than an intellectual puzzle created by theologians This book leads readers step by step to a robust understanding of God as a Trinity

Delighting in the Trinity Tim Chester, 2010-11-01 Delighting in the Trinity looks at the wonderful and fundamental truth that our God is three in one How can there be three Gods and yet only one God Have you ever groaned inwardly at a question like this Many of us find the doctrine of the Trinity that God is three persons sharing one nature difficult to get our heads round and frankly a bit embarrassing What is more we seem to get by without thinking about it too deeply But in reality the Trinity is at the heart of all that Christians believe The nature of God as a Trinity gives shape to all Christian truth and to the gospel that we believe and proclaim And rather than be a source of embarrassment properly understood it should fill us with joy This book aims to help you see how the Trinity is fantastically good news Because the trinity means that God is not remote and uninvolved quite the opposite God sent His Son and His Spirit into our world to draw us into a wonderful relationship with Himself This is the God who gives meaning and joy to our lives And along the way we discover that the Trinity answers other big questions How can we know God What happened at the cross What does it mean to be human How can people live together with all their differences What does mission look like in a fragmented world Tim Chester will take us deeper into understanding the thrilling triune nature of God In short accessible chapters he takes us through the Bible's teaching on the Trinity gives us an overview of the important arguments over the trinity that have taken place throughout Christian history and lays out the practical implications for our Christian lives

God With Us and Without Us, Volume Two Imad N. Shehadeh, 2019-10-31 While volume 1 stressed the inevitability of Oneness in Trinity this second volume of God With Us and Without Us demonstrates the beauty and life transforming power of Oneness in Trinity The nature of the eternal relationship between the Father Son and Holy Spirit stands in contrast with the nature of God in Absolute Oneness Dr Imad N Shehadeh elucidates through careful argumentation and detailed critical thinking why Oneness in Trinity is to be prized and what God would look like if He were not triune By addressing the beauty and power of Oneness in Trinity this book deepens our understanding of the Trinity as the solid foundation of all other doctrines Dr Shehadeh explains the eternal activity of God outside creation i.e. without us as the stimulus of His activity within creation i.e. with us Dr Shehadeh also addresses the theological debate concerning the eternal generation of the Son and the eternal procession of the Holy Spirit Most importantly however this book convinces us of and magnifies for us the life transforming power of the triune God
