Sharing Christ With Your Mormon Friends:

Sharing Christ with Your Mormon Friends Cary Trivanovich, 1991-01-01 **Sharing the Good News with Mormons** Eric Johnson, Sean McDowell, 2018-06-05 How do you share the gospel with those who don't think they need it? Someone you know is a Mormon: a family member, a coworker, a friend, or a neighbor, and you long to present the truth about Jesus and what God's Word teaches. But where do you start? How can you convey what's on your heart in a way that will be well received? Every relationship and situation is unique, and that's why these essays from respected scholars, apologists, and pastors including Sandra Tanner, Robert Bowman, David Geisler, Bill McKeever, Mark Mittelberg, J. Warner Wallace, Lynn Wilder, and others lay out a variety of creative methods for sharing the gospel effectively so you can initiate authentic conversations, respond with compassion and clarity to Mormon teachings, understand your Mormon friends, and find ways to keep the dialogue going. Speaking the truth to Mormons can feel daunting when you're unprepared. Let the suggestions in this book give you solid ideas for reaching those who are lost but don't realize it. **Sharing the Good News with**

Based on the author's firsthand experience in Mormonism. **What Do I Say to Mormon Friends and Missionaries?** Donna Morley, 2011-01-01

Have you ever wondered what to say to Mormon missionaries who come to your door? Do you feel uncomfortable about sharing your Christian faith with a Mormon friend, coworker, or neighbor? Have you wished for a clearer understanding of the differences between Mormonism and Christianity? If you've ever wanted a friendly, easy-to-use guide for talking with your Mormon friend or acquaintance, you'll find this book an ideal help. In her warm, personal style, Donna Morley will equip you with the basic essentials for pointing Mormons to Christ and biblical truth. In this expanded edition of what used to be *A Christian Woman's Guide to Understanding Mormonism*, Morley provides many practical illustrations and step-by-step guidelines, along with study questions and a simple yet powerful tool called a Fact Sheet, will build your confidence in sharing your faith with Mormons. Also Included: LDS Photo Album. Morley includes an LDS Photo Album which would be of interest to

anyone interested in Mormon history or to just put a face in the reader's mind of the many characters in the Mormon story. A Gift to Mormons. Morley has not only written this book to assist Christians but if the Christian feels led this book can be given as a gift to a Mormon. Throughout this book are boxed notes that say Mormon Friend Please Consider Again this will help the Christian converse with Mormons but too it's made personal enough with much politeness that if you feel led to give it to a Mormon friend he or she will feel that with much love it was written for just for him or her.

Endorsements This book has been endorsed by many such as Today's Books giving Morley accolades from this book's first printing. EXCEPTIONAL. Engaging with Mormons Corey Miller, 2020-11-01. Many people see Mormons as just another branch of the Christian church and to be admired perhaps for their family life, morality and upright culture. But the theology and spirituality of this cult are very far from an orthodox biblical understanding of true saving faith. And yet Christians are often fearful of engaging in conversations about the gospel with Mormons, knowing that there are suspicions and complex issues that lie beneath the surface. This short book is designed to help both Christians and whole churches to understand more about the beliefs, mindset and motivations of those who are members of the Church of Jesus Christ of the Latter Day Saints (Mormons) and to reach out to them with the good news of the gospel. Written at a level that everyone can understand, this book emphasizes the importance of forming loving, honest and open relationships as part of the way we engage with our Mormon friends and neighbors and with those who may come knocking at our doors.

God in 60 Seconds John Ankerberg, Dillon Burroughs, 2020-04-27. God in 60 Seconds boils down more than 100 issues that affect people's beliefs about God. Time-pressed readers will appreciate these impactful one to two page treatments of topics like: How is Christianity different from other faiths? What is God like? How can we know that what the Bible says is accurate? Was the Jesus described in the Bible invented by the disciples? Why does God sometimes seem distant and inaccessible? A great resource to help readers bring theology into their everyday lives, which is where God has always meant it to be.

Answering Mormons' Questions Bill McKeever, Eric Johnson, 1983. The Church of Jesus Christ of Latter Day Saints currently boasts millions of members, thousands of missionaries and congregations on every continent as well as in the vast majority of the world's countries. It's clear that their influence is still growing in our communities, places of business and in the political arena. It's also clear that Christians need to be prepared to answer questions from Mormon friends, neighbors, co-workers and from fellow believers as well. In this updated and expanded edition of McKeever's popular and practical book, authors Bill McKeever and Eric Johnson provide ready responses to the common questions Mormons ask. With more than six decades of combined experience, the authors tackle such tough questions as: Why don't you accept Mormons as Christians? Do you believe Mormonism is a cult? If the LDS church is not true, which church is

How can you explain the many contradictions found throughout the Bible After offering analysis and responses to these and other questions McKeever and Johnson provide helpful appendices that summarize Mormon beliefs provide 101 Bible references to use in conversation and expose common logical fallacies Originally published in the 1980s this volume has been and will continue to be a classic resource to help Christians become more successful in sharing their faith with Mormons
