Sharing Intimacy What We Reveal To Others And Why:

Sharing Intimacy Valerian J. Derlega, Alan L. Chaikin, 1975 Reading Like a Girl Sara K. Day, 2013-06-03 By examining the novels of critically and commercially successful authors such as Sarah Dessen *Someone Like You* Stephenie Meyer the *Twilight* series and Laurie Halse Anderson *Speak* *Reading Like a Girl* Narrative Intimacy in Contemporary American Young Adult Literature explores the use of narrative intimacy as a means of reflecting and reinforcing larger often contradictory cultural expectations regarding adolescent women interpersonal relationships and intimacy *Reading Like a Girl* explains the construction of narrator reader relationships in recent American novels written about adolescent women and marketed to adolescent women Sara K Day explains though that such levels of imagined friendship lead to contradictory cultural expectations for the young women so deeply obsessed with reading these novels Day coins the term narrative intimacy to refer to the implicit relationship between narrator and reader that depends on an imaginary disclosure and trust between the story's narrator and the reader Through critical examination the inherent contradictions between this enclosed imagined relationship and the real expectations for adolescent women's relations prove to be problematic In many novels for young women adolescent female narrators construct conceptions of the adolescent woman reader constructions that allow the narrator to understand the reader as a confidant a safe and appropriate location for disclosure At the same time such novels offer frequent warnings against the sort of unfettered confession the narrators perform Friendships are marked as potential sites of betrayal and rejection Romantic relationships are presented as inherently threatening to physical and emotional health And so the narrator turns to the reader for an ally who cannot judge The reader in turn may come to depend upon narrative intimacy in order to vicariously explore her own understanding of human expression and bonds **Derlega**

Valerian J. ... Sharing Intimacy Valerian J. Derlega, Alan L. Chaikin, 1975 **Sharing Intimacy** Valerian J. Derlega, Alan L. Chaikin, 1975 **Communication, Intimacy, and Close Relationships** Valerian J. Derlega, 2013-10-02 *Communication Intimacy and Close Relationships* offers an account of the nature of intimate relationships and their effects on people's self concepts The development and maintenance of intimate relationships are examined along with people's motives and goals in pursuing intimacy the nature of social exchanges in intimate relationships and the consequences for individuals who find themselves socially isolated The critical role of communication in intimate relationships is given emphasis Comprised of seven chapters this book begins with a discussion on the role of self disclosure in intimate relationships as well as the risks that individuals incur when they self disclose The next chapter presents a cognitive interaction model of the nature of intimacy and intimate relationships within the context of cognitive social learning theory and a systems theory approach to communication The effect of people's motives on relationships is then considered together with the role of two fundamental human motives power and intimacy on love and friendship The remaining chapters focus on the importance of the identification process that is how people fix their own and others identities in social interaction in developing relationships

patterns of nonverbal exchange in close relationships how and why loneliness occurs and the nature of social exchange processes in intimate relationships The book concludes with an epilogue that provides a perspective on why people may find it difficult or easy to form intimate relationships This monograph should be a valuable resource for psychologists and sociologists **Health Issues in the Black Community** Ronald L. Braithwaite, Sandra E. Taylor, Henrie M. Treadwell, 2009-10-22

Health Issues in the Black Community THIRD EDITION The outstanding editors and authors of Health Issues in the Black Community have placed in clear perspective the challenges and opportunities we face in working to achieve the goal of health equity in America David Satcher MD PhD 16th Surgeon General of the United States and director Satcher Health Leadership Institute at Morehouse School of Medicine Eliminating health disparities must be a central goal of any forward thinking national health policy Health Issues in the Black Community makes a valuable contribution to a much needed dialogue by focusing on the challenges of the black community Marc Morial Esq president National Urban League Health Issues in the Black Community illuminates comprehensively the range of health conditions specifically affecting African Americans and the health disparities both within the black community and between racial and ethnic groups Each chapter whether addressing the health of African Americans by age gender type of disease condition or behavior is well detailed and tells an important story Together they offer practitioners consumers scholars and policymakers a crucial roadmap to address and change the social determinants of health reduce disparities and create more equal treatment for all Americans Risa Lavizzo Mourey MD MBA president Robert Wood Johnson Foundation I recommend Health Issues in the Black Community as a must read for anyone concerned about the future of the African American community Health disparities continues to be one of the major issues confronting the black community This book will help to highlight the issues and keep attention focused on the work to be done Elsie Scott PhD president of the Congressional Black Caucus Foundation This book is the definitive examination of health issues in black America issues sadly overlooked and downplayed in our culture and society I congratulate Drs Braithwaite Taylor and Treadwell for their monumental book Cornel West PhD professor Princeton University **Constructing the Sexual Crucible** David M Schnarch, 1991-03-05

This book challenges the fundamental paradigms in sexual marital therapies and provides a fresh look at the nature of intimacy and the diverse barriers to eroticism in many marriages By integrating individual sexual and marital therapies this study attempts to provide a fresh look at the nature of intimacy and the diverse barriers to eroticism in marriage The author refutes the common focus on sexual technique calling instead for an emphasis on sexual potential **Skilled Interpersonal Communication** Owen Hargie, 2016-10-04 There is a fundamental powerful and universal desire amongst humans to interact with others People have a deep seated need to communicate and the greater their ability in this regard the more satisfying and rewarding their lives will be The contribution of skilled interpersonal communication to success in both personal and professional contexts is now widely recognised and extensively researched As such knowledge of various types of skills and of their effects in social

interaction is crucial for effective interpersonal functioning Previous editions have established Skilled Interpersonal Communication as the foremost textbook on communication This thoroughly revised and expanded 6th edition builds on this success to provide a comprehensive and up to date review of the current research theory and practice in this popular field of study The first two chapters introduce the reader to the nature of skilled interpersonal communication and review the main theoretical perspectives Subsequent chapters provide detailed accounts of the fourteen main skill areas namely nonverbal communication reinforcement questioning reflecting listening explaining self disclosure set induction closure assertiveness influencing negotiating and interacting in and leading group discussions Written by one of the foremost international experts in the field and founded solidly in research this book provides a key reference for the study of interpersonal communication This theoretically informed yet practically oriented text will be of interest both to students of interpersonal communication in general and to qualified personnel and trainees in many fields
