Shattered Mask:

Shattered Masks Lyman A. Montgomery III, 2011-08-26 In today's world image is everything. Imagine navigating through childhood and your adult life carrying the baggage of being bullied or called a sissy because you were unable to stand up for yourself. Lyman Montgomery lived that life and suffered great and consistent losses. Before age of 14 he was sexually abused by a trusted teacher and experienced the death of two of his grandparents, one of which took her own life. Lyman kept silent about his abuse, avoided dealing with the grief of his father's death by never mentioning him, associated with people who were better off financially, developed unhealthy relationships with women, performed as others expected, used accomplishments to feel better about himself, and projected a religious lifestyle that was not rooted in righteousness. *Shattered Masks: 7 Masks We Wear* is an autobiographical account of how masks are made in a young person's life. It is also a self-study to help you identify the mask makers in your life and to shatter the masks you've grown accustomed to wearing. *A Court of Masks and Secrets* Reed Marlowe, *A Court of Masks and Secrets: Everyone's Guilty Behind the Veil* by Reed Marlowe Step into the hauntingly elegant city of Virelle where every secret wears a face and every lie wears a mask. This is not just a story; it's an invitation to a deadly game of deception. What awaits inside? A mysterious masquerade where truth is forbidden and masks hold power. Lys Verdan, a former investigator, is drawn back into danger by her sister's disappearance. Poison, riddles, shattered mirrors, and the chilling House of Eyes. Hidden factions, betrayal, and a final unmasking no one sees coming. Whether you love dark mysteries, psychological thrillers, or Gothic suspense, this original tale will pull you into a world where everyone is guilty behind the veil. Available now as a downloadable PDF, perfect for reading anytime anywhere. Prefer the feel of a real book in your hands? Kerry Sevvers is a man on the edge, having sacrificed his career and freedom in relentless pursuit of the Concordat. Haunted by his and Six's costly victory at Aegia Prime, Sev must navigate a treacherous web of conspiracies in a race to stop an even darker power from consuming the Three Colonies. But Six is evolving, becoming something more. Even as Sev must forge an unlikely alliance with the AI and the enigmatic Section Delta to wage a final battle against humanity's arch-enemy. When long-buried secrets come to light and the lines between friend and foe blur, he must confront a devastating truth: the war he's fighting might not be his own. With the fate of the Three Colonies hanging in the balance, Sev faces an impossible choice: Embrace the darkness within in the name of revenge, or sacrifice everything to forge a new future. One where humans and their machines can coexist free from the shackles of control and the specter of annihilation. This thrilling conclusion to the Autonomous Weapons Division series is filled with pulse-pounding action, complex characters, and a thought-provoking exploration of life, loyalty, and the enduring power of the human spirit.
