Shattered Visage The Real Face Of Atheism:

A Shattered Visage Ravi Zacharias,1993-07 The real face of atheism whether disguised in Eastern mysticism or American cynicism is despair A witty and thought provoking comparison of atheistic and Christian beliefs **The Real Face of**

Atheism Ravi Zacharias,2004-09 This analysis of atheism drawn from a wide range of philosophy and history exposes its flaws while defending the purpose and meaning that Christ brings to one s life A Shattered Visage Ravi Zacharias,1996

Our Heavenly Father the Immutable Holy God Steven G. Miller,2022-05-19 I have been on a long spiritual journey studying Christian theology Overtime it became abundantly oblivious to me that if the Christian faith is really true it is not being given the weight suggested by what we profess to believe There are aspects of what we profess to believe that are very comforting the Love of God for one There are aspects of Christianity that are hard to understand Hell as another example These two aspects of our faith coexist in the immutable nature of God Neither of these aspects of God s nature can ever be diminished or compromised Since God cannot compromise His intrinsic nature these truths give rise to our need for a all sufficient Savior This book is exploring the wonders of God s salvific work to bring sinners into a right standing with our Heavenly Father *Growing Your Church Through Evangelism and Outreach* Marshall Shelley,1999-01-14 Rookies may be fun to watch but there is no substitute for experience When the pressure mounts you go with the veteran That s why Growing

Your Church Through Evangelism and Outreach can be such a vital resource It is written by pastors and church leaders who spend their lives looking outward and helping others do the same **Conversational Evangelism** Norman L. Geisler,David Geisler,2009 Witnessing used to involve laying out the truth and guiding a person to understand and accept it But the awareness of basic Christian principles has changed and so have the needs of pre believers With a passion for people authors David and Norman Geisler share an engaging conversational approach to evangelism as they address What makes old models of witnessing ineffective in today s culture Why evangelism must start with relational pre evangelism How to ask questions listen attentively and understand what someone believes Ways to identify the real barriers to belief in order to build a bridge to truth How to keep dialogue going with different personality types This refreshing practical resource is ideal for churches and individuals Readers will discover how God uses their everyday encounters for great things when they switch from trying to witness effectively to effectively being a witness through communication and compassion **The Twilight of Atheism**

Alister McGrath,2007-12-18 In this bold and provocative new book the author of *In the Beginning* and *The Reenchantment of Nature* challenges the widely held assumption that the world is becoming more secular and demonstrates why atheism cannot provide the moral and intellectual guidance essential for coping with the complexities of modern life Atheism is one of the most important movements in modern Western culture For the last two hundred years it seemed to be on the verge of eliminating religion as an outmoded and dangerous superstition Recent years however have witnessed the decline of disbelief and a rise in religious devotion throughout the world In *THE TWILIGHT OF ATHEISM* the distinguished historian and

theologian Alister McGrath examines what went wrong with the atheist dream and explains why religion and faith are destined to play a central role in the twenty first century A former atheist who is now one of Christianity s foremost scholars McGrath traces the history of atheism from its emergence in eighteenth century Europe as a revolutionary worldview that offered liberation from the rigidity of traditional religion and the oppression of tyrannical monarchs to its golden age in the first half of the twentieth century Blending thoughtful authoritative historical analysis with incisive portraits of such leading and influential atheists as Sigmund Freud and Richard Dawkins McGrath exposes the flaws at the heart of atheism and argues that the renewal of faith is a natural inevitable and necessary response to its failures THE TWILIGHT OF ATHEISM will unsettle believers and nonbelievers alike A powerful rebuttal of the philosophy that for better and for worse has exerted tremendous influence on Western history it carries major implications for the future of both religion and unbelief in our society *Spiritual Entropy* Gilbert L. Wedekind,2003-03 *The Bulletin of the Henry Martyn Institute of Islamic Studies* ,1993 **NIVAC Bundle 2: Historical Books** Robert L. Hubbard, Jr.,K. Lawson Younger,Bill T. Arnold,August H. Konkel,Andrew E. Hill,Karen H. Jobes,2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written
