Shawnee Trail Conservancy V. United States Department of Agriculture ,2000 *The Shawnee Trail* ,1923 The Shawnee Trail Ralph Compton,2025-10-16 Stampedes rustlers and hostile Indians wouldn't slow them down They were bound for Kansas and a Texas sized fight The only riches Texans had left after the Civil War were five million maverick longhorns and the brains brown and boldness to drive them north where the money was Now Ralph Compton brings this violent and magnificent time to life in an extraordinary epic series based on the history blazing trail drives The Shawnee Trail Long John Coons the Cajun son of a conjuring woman was driving 2 000 head of cattle north from Texas to the railroad in Kansas through Indian Territory and outlaw strongholds At his side was a beautiful woman with a sordid past three ex cattle rustlers some renegade Indians Mexican vanqueros and a straight laced young trail boss And while Long John tried to keep his hot headed crew from killing each other before they reached the end of the line the biggest dangers was waiting up ahead where an all out war in Kansas make the Texas fight together or die at the same time **The Shawnee Trail** Flossie Selby,2018-04-13 Relive the early days of cattle drives Learn the landmarks and remote areas of civilization during the 1860 s along the eastern edge of Oklahoma Learn about the cowboys way of life and his importance to the development of the Indian Territories Follow George Grinder and his brother as they travel the Shawnee Trail from the Red River to the Neosho River The History of Upshur County, West Virginia William Bernard Cutright,2009-06 As a body these records are extracted from roughly 750 known Bibles and extend from the late 18th through the early 20th centuries with the greatest concentration from the mid 19th century Most of the entries refer to births marriages and deaths and in most cases indicate the name s of the principals the date of the event and sometimes such supplementary information as his her age or address the maiden name of a parent etc Each Bible record is identified by family name and followed by a reference to the Huguenot Society records where the original can be found In all the records refer to more than 2 500 main families named in the surname index at the back of the volume and embrace a staggering 25 000 individuals of Huguenot or possible Huguenot ancestry connections and allied families that would otherwise be lost to us in the unpublished files of this august organization

SH-161 Construction, IH-20 to IH-635, Cities of Grand Prairie and Irving, Dallas County ,1996 *The Old Chisholm Trail* Wayne Ludwig,2018-09-04 The Old Chisholm Trail charts the evolution of the major Texas cattle trails explores the rise of the Chisholm Trail in legend and lore and analyzes the role of cattle trail tourism long after the end of the trail driving era itself The result of years of original and innovative research often using documents and sources unavailable to previous generations of historians Wayne Ludwig's groundbreaking study offers a new and nuanced look at an important but short lived era in the history of the American West Controversy over the name and route of the Chisholm Trail has persisted since before the dust had even settled on the old cattle trails But the popularity of late nineteenth century Wild West shows dime novels and twentieth century radio movie and television western drama propelled the already bygone era of the cattle trail

into myth and a lucrative one at that Ludwig correlates the rise of automobile tourism with an explosion of interest in the Chisholm Trail Community leaders were keenly aware of the potential economic impact if tourists were induced to visit their town rather than another and the Chisholm Trail was often just the hook needed Numerous historical markers were erected on little more than hearsay or boosterish memory and as a result the true history of the Chisholm Trail has been overshadowed The Old Chisholm Trail is the first comprehensive examination of the Chisholm Trail since Wayne Gard s 1954 classic study The Chisholm Trail and makes an important and modern contribution to the history of the American West Winner 2018 Elmer Kelton Book of the Year sponsored by the Academy of Western Artists **Shawnee Trail** Alfred Dennis,2014-06-26 Lance Hawkins returns home to find his parents and little brother killed and mutilated His two sisters Iona and May Lynn are taken captive by the marauding Shawnee Warriors along with their ally the Frenchman St Georges Taking the trail of the raiders it leads to the Trent Farm where his lifelong sweetheart has also been taken captive and her family killed Swearing to his badly wounded brother Lucas he would never quit the trail until every warrior and every Frenchman responsible for the atrocity s were dead Lance heads deep into the bloody hunting grounds of the Shawnee and Abernaki Indians Only pure hatred and the need for revenge would able one so young as Lance Hawkins too overcome the mighty Shawnee Nation and St Georges A great read that will keep you turning the pages Adventure action and romance for anyone who loves the frontier and our bygone days A whole lifetime of work around cowboys horses mountain people and rodeo is put into this authors novels Years and years of sitting around campfires listening to real life cowboys and their true stories of the open range The author was born and raised in the beautiful Kiamichi Mountains of southeastern Oklahoma where a horse and dog is still needed to work the wild mountain cattle The author has raised a family and made his living breaking and shoeing horses and working cattle Read one of his novels they re the real McCoy full of action suitable and enjoyable for any age western novel reader *The Jefferson Highway in Oklahoma: The Historic Osage Trace* Jonita Mullins ,2016-12-05 Oklahoma s central location makes it a natural crossroads and the trails of yesterday became the superhighways of today Perhaps the best example is Route 69 also known as the Jefferson Highway The paved highway was begun in 1915 but its course was heavily traveled for centuries before that Engineers could map no better path than the generations who cut it through the wilderness out of necessity Author Jonita Mullins leads a journey along this ancient way that recalls some of Oklahoma s most important history and celebrates some of its most fascinating characters The History of Barbour County, West Virginia Hu Maxwell,1899
