The Case of Lizzie Borden and Other Writings Elizabeth Garver Jordan, 2024-06-25 The first and only comprehensive collection of writings by Elizabeth Garver Jordan the groundbreaking journalist suffragist and editor whose fearless reporting on women preceded the MeToo movement and popularized the true crime genre A Penguin Classic The Case of Lizzie Borden and Other Writings is the first to collect Garver Jordan s fiction and journalism much of which has been out of print for over a century Jordan began her career as a reporter making her name as one of few women journalists to cover the Lizzie Borden murder trial for the New York World in 1893 Jordan s distinctive narrative driven coverage of the Borden and other high profile murder cases brought her national visibility and she turned increasingly to fiction writing

Drawing on her experiences as a true crime reporter and newspaper editor she published detective novels and short story collections such as *Tales of the City Room* that explored the fine line between women's criminality and crimes against women. Employing popular genre conventions as a means of dealing with women's issues Jordan exposed gendered abuse in the workplace and the prevalence of sexual violence. *The Case of Lizzie Borden and Other Writings* encourages readers to draw a historical trajectory from Jordan's pioneering literary activism to the writings of contemporary journalists and novelists whose work continues to fuel discussions of gender feminism and crime raising questions about who gets to tell women's stories especially in the wake of the MeToo movement.
