to reveal the words of Leviticus hidden within this book uses the clarity of modern analysis to unroll the Bible's intricate history and profound ideas. It navigates the long journey from whispered oral traditions to the contentious process of deciding which scrolls belonged, exploring how this library was assembled and why it has exerted such a powerful force on human history. This is not a devotional guide or a work of theology that tells you what to believe. Instead, it is a historical and literary exploration that illuminates the world from which the Bible emerged. This book explores why a text like the book of Esther, which never once mentions God, was debated for centuries before being accepted as scripture and how the apostle Paul's personal letters, written to address specific problems in fledgling churches, became foundational documents for a global faith. We will meet its flawed heroes, the tricksters, adulterers, and doubters through whom the narrative unfolds and confront its most challenging theological questions head-on. By understanding the context in which these texts were written, the genres they employ, and the debates they reflect, you will gain a durable framework for making sense of this often intimidating collection. Whether you are a person of faith seeking a deeper understanding of your sacred texts, a student of history or literature, or simply a curious reader wanting to grasp a foundational document of civilization, this book is designed to be your guide. It synthesizes centuries of scholarship into a clear, engaging narrative, equipping you with the context and clarity to read the Bible with new eyes. Our aim is not to resolve every mystery but to provide the tools to navigate them with confidence, fostering a richer and more informed appreciation for this complex, challenging, and profoundly influential library.

Safe House Joshua Straub, PhD, 2015-10-20 Parenting isn't rocket science; it's just brain surgery. And Dr. Joshua Straub has good news for you: You can do it. You don't need to do all the right things as a parent. Both science and the Bible show us that the most important thing we can provide for our kids is a place of emotional safety. In other words, the posture from which we parent matters infinitely more than the techniques of parenting. Emotional safety more than any other factor is scientifically linked to raising kids who live, love, and lead well. Learn how to use emotional safety as a foundation from which you parent and make a cultural impact that could change the world. In *Safe House*, Dr. Straub draws from his extensive research and personal experience to help you foster healthy identity and social development in children of any age. Win the war without getting overwhelmed in the daily battles. Discipline in a way that builds relationship. Understand how the culture is affecting your child and what you can do about it. Cultivate responsible self-regulating behavior in your kids. Establish an unshakeable sense of faith, morality, and values in your home. Feel more confident and peaceful as a parent. Find a greater perspective on parenting than what you might see on a daily basis. Also includes a Safe House Parenting Assessment.

Mid-Faith Crisis Jason Hague, Catherine

McNiel, 2025-06-03 Navigating the Storm Understanding the Crisis of Faith Many of us embarked on our spiritual journeys filled with hope and certainty only to find ourselves questioning the very foundation of our beliefs as life unfolded The faith that once seemed unshakeable may falter in the face of broken trust unanswered prayers and the harsh realities of worldly suffering But you're not alone mid faith crises are a shared human experience that can feel isolating yet are a crucial part of our spiritual journey In Mid Faith Crisis authors Catherine McNiel and Jason Hague provide a compassionate exploration of this challenging phase With backgrounds in theology and personal narratives of their own spiritual upheavals they guide readers through the complex landscape of doubt and disillusionment Mid Faith Crisis candidly addresses the often unspoken realities of faith's evolution offering solace and practical insights for navigating through turbulent waters Through storytelling and reflection McNiel and Hague offer practices and disciplines that help reclaim what is genuine and discard what is not They reassure us that the crisis of faith is not an endpoint but a transformative stage that can lead to a more sincere and robust belief system If you're in the midst of a spiritual reevaluation Mid Faith Crisis will serve as a beacon of hope reminding us that while the road may be rocky the destination holds the promise of deeper faith and connection Chaplain McNiel Fearing Bravely and pastor Hague Aching Joy deliver an approachable guide to tackling crises of faith They trace how even strong religious identities can be dismantled by life challenges or new perspectives resulting in a death of faith that leaves believers feeling lost and isolated Arguing that this uncomfortable stage can be a productive period in one's spiritual journey the authors unpack how readers can harness feelings of betrayal to seek new heroes of faith often those quietly doing good away from the spotlight and use their doubts to create a more honest intimate relationship with God Publishers Weekly Review February 2025 Relevant and practical in a time of church leader scandals and faith deconstruction this book offers an empathy filled way forward Library Journal Review May 2025 *The Gospel According to St. Therese* Joseph F. Schmidt, FSC, 2017-09-01 Therese of Lisieux is one of the most popular saints of our time and for good reason As Pope St John Paul II wrote when declaring her a doctor of the Church Therese's little way is nothing other than the gospel way of holiness for all In this faith sharing guide Br Joseph Schmidt helps readers understand Therese's message through the Scripture passages that illuminated her insights about God and his merciful love Each of the seven sessions features one or more passages from Scripture as well as excerpts from Therese's writings that allude to those passages Thoughtful commentary and questions for reflection follow enabling us to discover how our own relationship with the Lord might be transformed by the Little Way of St Therese
