

SHELLEY'S PROSE

OR

THE TRUMPET OF A PROPHECY

So controversial were some of Shelley's ideas that they were not printed until a century after his death. All of Shelley's prose is here—except the two early romances and the letters. The essays, prefaces, reviews, fragments and foreign language passages are included. An illuminating foreword and thorough notes, plus a selected bibliography and a complete index amplify the accurately transcribed text.
