Shepherd For All People:

Shepherds Daniel C. Fredericks, 2017-04-27 How does God manage his entire creation Has he had a plan a theme a metanarrative or something else which he follows that gives a unity to all of his efforts *Shepherds* describes the relationship between the Creator and his creation a relationship that is structurally integrated by the very core of who God is There is a design within creation that radiates from his personal unique being What God created and how he manages it is a marvelous extension of who he is and how he acts This relationship between God and his creation is not patterned only on his essence or being but on his powerful and loving will and acts Rather than a literary grid to which theme and metanarrative attempt to subject God's relationship with humanity *Shepherds* recognizes that all of creation bears the eternal design emanating from God's very nature Scripture is not a story about Israel or the church it is not simply a story of redemption it is a window into the eternal design by which God created reality and will eternally sustain that creation *Israel's Only Shepherd* Wayne Baxter, 2012-01-26 A comparison of the shepherd metaphor in Matthew's Gospel with its use in early Jewish Christian and Graeco Roman writings shedding light on Matthew's socio religious location *Shepherds and Demons* Hans Austnaberg, 2008 The Malagasy revival movement which started in 1894 and operates within the structure of the historical churches continues to have a profound impact on Protestant church life This book focuses on exorcism as practised and understood by the so called shepherds lay unsalaried consecrated church workers and defines exorcism as the expulsion of demons and prayer with the laying on of hands This study with Malagasy actors at its centre argues that exorcism constitutes a synthesis between the biblical message and the traditional Malagasy culture The shepherds who vehemently oppose traditional religion understand exorcism as a practice appropriate for people with a wide variety of problems and they assert that the purpose of exorcism is to create a living faith in Jesus The shepherds consider the battle with demons absolutely decisive because it concerns nothing less than salvation or condemnation **The Shepherd's Song** Dr. Lynn Anderson, 2010-06-15 Tune your ear to the shepherd's song and let its powerful melody bring you back into harmony with God Your life is going well you are winning the battles of faith and enjoying your relationships with people and with God Suddenly you stumble Things go wrong you lose your job your marriage crumbles or a loved one dies Through prayer and perseverance you recover and regain your strength but disaster strikes again unexpected temptation shakes your faith and you find yourself searching for answers Suddenly you hear a friendly calm voice singing a song of strength and renewal A handsome man from the past appears he extends a hand of hope and lifts you to your feet He introduces himself as David the shepherd He begins to sing a beautiful song the song of his life his struggles and victories and the melody of his life amazingly resembles your own Accept his invitation and discover how the most thrilling and adventurous life in Scripture holds valuable meaning for your own life of faith Anderson's extensive research and travels throughout the Holy Lands eminently qualify him to lead you on this journey of faith At times you will visualize David's adventures so clearly you will feel

as though you are there Other times your view of the shepherd turned king will be eclipsed by the reflection of yourself But at all times you will hear the song the shepherd s song and it will give hope and meaning to your own life s song

The Shepherd and His Sheep Julia E. Bland, 2001 One of the most striking representations of Jesus in the scriptures is that of a shepherd Based on John 10's statement that He is the Good Shepherd this series of eight lessons teaches youngsters of Jesus unfailing love and care even to the point of death on the cross Like all of her previous collections each children's message is accompanied by a two sided activity page one side that's a coloring page for younger children and the other with numerous puzzles and activities to reinforce the lesson's theme for older children Bland has a well earned reputation for biblical faithfulness creativity and practicality Busy pastors and teachers have found her ready to use materials just what they need for their children's time we know you'll love her latest release The Shepherd And His Sheep is insightful simple and creative But most important is the depth of spirituality that is presented which will engage the mind and heart of a child Although specifically designed with children in mind Bland's messages recover the significance of Jesus statement that unless we come to him as a child we will miss the kingdom of God This collection of sermons and activities will call the child in each one of us to be in the presence of the Good Shepherd Steven M Marsh Dean of Chapel and Spiritual Formation Assistant Professor of Religion and Philosophy Sterling College During nearly 50 years as a pastor's wife Julia Bland has taught church groups of all ages from children through senior adults She has been active in United Methodist Women and served as district chairperson of Global Concerns as well as Publicity and Public Relations Bland's award winning oil watercolor and pen and ink artwork has appeared in private and public collections
