New Orleans Charles Suhor,2001-04-11 Jazz in New Orleans provides accurate information about and an insightful interpretation of jazz in New Orleans from the end of World War II through 1970 Suhor relying on his experiences as a listener a working jazz drummer and writer in New Orleans during this period has done a great service to lovers of New Orleans music by filling in some gaping holes in postwar jazz history and cutting through many of the myths and misconceptions that have taken hold over the years Skillfully combining his personal experiences and historical research the author writes with both authority and immediacy The text rich in previously unpublished anecdotes and New Orleans lore is divided into three sections each with an overview essay followed by pertinent articles Suhor wrote for national and local journals including Down Beat and New Orleans Magazine Section One Jazz and the Establishment focuses on cultural and

institutional settings in which jazz was first battered then nurtured It deals with the reluctance of power brokers and the custodians of culture in New Orleans to accept jazz as art until the music proved itself elsewhere and was easily recognizable as a marketable commodity Section Two Traditional and Dixieland Jazz highlights the music and the musicians who were central to early jazz styles in New Orleans between 1947 and 1953 Section Three An Invisible Generation will help dispel the stubborn myth that almost no one was playing be bop or other modern jazz styles in New Orleans before the current generation of young artists appeared in the 1980s Krr'Tip Robert Zimmerman,2010-07-02 Krr Tip A young intelligent eight foot arachnid is considered an outcast by all the arachnid clans Exiled from her clan three years previous she comes across a strange creature only possessing two legs This creature has been injured and she doesn't know how to relate to something so vastly different from herself During her adventures she learns what this creature is how to relate to it and eventually befriends it Bruce Adams Human captain in the Explorer Corps Stranded Alone Injured Captain Adams finds himself on a planet of over sized arachnids and insects With no means to know if they are intelligent he must figure out how to communicate with the native species Captain Adams finds himself literally falling at the feet of Krr Tip an exiled spider Trell An overly aggressive reptile measuring over eight feet from nose to tail The description closest matching what Trell looks like would be a cross between the velociraptor and the tyrannosaurus of Earth The reptiles hate any race that tries to stop them from conquering the universe becoming the dominant species Frell A young inquisitive wasp that lets her curiosity get the better of her ends up being a gift to Bruce from Krr Tip She becomes one of his most loyal friends She finds that her enemy can be her friend in the form of Krr Tip and wants to explore the stars with both of them During the war with the reptiles Bruce becomes stranded on a planet with oversized insects and has to learn to work with them for the very survival of the human race and everyone else the reptiles want to conquer *British Books in Print* ,1985 **Whitaker's Cumulative Book List** ,1984 Empty Shield Giacomo Donis,2021-05-20 A people's history and the horror of war Howard Zinn meets Apocalypse Now Political autobiography March 1972 about to graduate from NYU A journey two days and nights in the New York subway Love it or leave it A decision become a Great Academic Marxist blow up the Williamsburg Bridge go into exile Vietnam Veterans with placards for and against the war Seven placard men at the seven gates of Thebes brandishing their shields A decision Political or personal Or pure Zen Mind or no mind Kill for peace Dylan Hendrix or the Fugs The two Suzukis or Dogen Monk and Coltrane The relation between Hegel's logic of thinking as such and his logic of practice which does not exist The screech of the subway stops A fork where three roads cross the realm of shadows what is to be done A Chinese menu Stab it Stab it with your fork But what I myself decide is not the point The point is the question of what a decision is and what making a decision means The answer is never stop asking Ask yourself Ask FDR JFK LBJ McNamara and his band John Kerry or a Vietnam War veteran of your choice Ask Nixon Kissinger Trump Ask Trump Ye great decision makers have you ever asked yourselves what a decision is and what making a decision means That is the question
