**The Long Road to Nowhere** Mark Jones, 2009-05 One day while sitting on a park bench Mark was asked by an old man Why do you do what you do Why do you work where you work or live where you live Whether we agree or not life really is about a series of paths and decisions whereby even one small change can alter our lives forever We usually want to blame others including God for our decisions Only by examining the paths we have taken can we really see where we are at It is only when we look deep within ourselves we discover that as writers singers musicians interior decorators or even truck drivers we all have gifts Having them is not to question rather it is WHAT WE DO WITH THEM that really matters Wherever your passions lie you can erase your doubts and restore your joy Just imagine yourself on a park bench *Long Road to Nowhere* Amryl Johnson, 1985
