and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970 The Arnold Estate located just beyond the village of Harrisville Rhode Island seemed the idyllic setting in which to raise a family The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse Secrets were kept and then revealed within a space shared by mortal and immortal alike Time suddenly became irrelevant fractured by spirits making their presence known then dispersing into the ether The house is a portal to the past and a passage to the future This is a sacred story of spiritual enlightenment told some thirty years hence The family is now somewhat less reticent to divulge a closely guarded experience Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf They consider the Perron family saga to be one of the most compelling and significant of a famously ghost storied career as paranormal researchers During a seance gone horribly wrong they unleashed an unholy hostess the spirit called Bathsheba a God forsaken soul Perceiving herself to be the mistress of the house she did not appreciate the competition Carolyn had long been under siege overt threats issued in the form of fire a mother's greatest fear It transformed the woman in unimaginable ways After nearly a decade the family left a once beloved home behind though it will never leave them as each remains haunted by a memory This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery an eternal journey for the living and the dead

Sometimes a Great Notion David Donnell, 2014-05-20 Long admired for his books of poetry most recently *China Blues* and *Dancing in the Dark* David Donnell's poems continue to surprise and amaze us with their cool jazz of spontaneity and imaginative logic A sensual and intellectual feast *Sometimes a Great Notion* is a deconstruction of the contemporary artist's life it's also a tough compassionate look at the future of the future and our philosophy of love Culinary adventures and geography juxtapose with Japanese culture erotic interludes are interrupted by notes on Alex Colville giving us the clearest picture of convergence theory we've had since Marshall McLuhan was a young man Here in poems like *Luce* or *Pillows* Donnell pushes the boundaries of minimalism in original and subtle ways and succeeds like peach ice cream on a hot day *Moment after moment* this is a provocative and refreshing book

All Set about with Fever Trees and Other Stories Pam Durban, 1995-08-01 The seven stories in Pam Durban's widely praised debut collection are tales of family of love and loss of survival and affirmation Durban's resonant prose subtly obliges her readers to experience the rush of icy water in a stream the taste of greens freshly snatched from an overgrown garden the dread weight of confusion and uncertainty In *This Heat* the opening story a mill worker faces the long expected loss of her teenage son when his weak heart finally gives out In the title story which concludes the collection a formidably eccentric woman abruptly leaves her daughter and granddaughter to answer a calling to do missionary work in Africa Framed between these two stories is a gathering of characters made real and consequential by Durban's touch a country singer more than a few big breaks short of stardom a preadolescent boy lovestruck over his private swimming instructor a father cut off from his

children by haunting war memories and others Encyclopedia of Beat Literature Kurt Hemmer,2010-05-12 Discusses the literary works and great authors of the Beat Generation The New Partridge Dictionary of Slang and Unconventional English Tom Dalzell,Terry Victor,2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus The Dictionary of Slang and Unconventional English this two volume New Partridge Dictionary of Slang and Unconventional English is the definitive record of post WWII slang Containing over 60 000 entries this new edition of the authoritative work on slang details the slang and unconventional English of the English speaking world since 1945 and through the first decade of the new millennium with the same thorough intense and lively scholarship that characterized Partridge's own work Unique exciting and at times hilariously shocking key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia New Zealand Canada India South Africa Ireland and the Caribbean emphasis on post World War II slang and unconventional English published sources given for each entry often including an early or significant example of the term's use in print hundreds of thousands of citations from popular literature newspapers magazines movies and songs illustrating usage of the headwords dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning New to this edition A new preface noting slang trends of the last five years Over 1 000 new entries from the US UK and Australia New terms from the language of social networking Many entries now revised to include new dating new citations from written sources and new glosses The New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning it's rude it's delightful and it's a prize for anyone with a love of language **Empty Shield** Giacomo Donis,2021-05-20 A people's history and the horror of war Howard Zinn meets Apocalypse Now Political autobiography March 1972 about to graduate from NYU A journey two days and nights in the New York subway Love it or leave it A decision become a Great Academic Marxist blow up the Williamsburg Bridge go into exile Vietnam Veterans with placards for and against the war Seven placard men at the seven gates of Thebes brandishing their shields A decision Political or personal Or pure Zen Mind or no mind Kill for peace Dylan Hendrix or the Fugs The two Suzukis or Dogen Monk and Coltrane The relation between Hegel's logic of thinking as such and his logic of practice which does not exist The screech of the subway stops A fork where three roads cross the realm of shadows what is to be done A Chinese menu Stab it Stab it with your fork But what I myself decide is not the point The point is the question of what a decision is and what making a decision means The answer is never stop asking Ask yourself Ask FDR JFK LBJ McNamara and his band John Kerry or a Vietnam War veteran of your choice Ask Nixon Kissinger Trump Ask Trump Ye great decision makers have you ever asked yourselves what a decision is and what making a decision means That is the question The Empty Shield asks it Repeatedly repetitiously abysally and possibly once and for all **Purpose of life - Existence and Enlightenment** Dr. Terala Sreenivas,2022-05-06 What is the purpose of human life Did human beings come into existence
