Long Watch:

The Long Watch Charles Allen Smart, 1968 , Dave's Sweetheart Mary Gaunt, 2021-11-09 Mary Gaunt's novel *Dave's Sweetheart* is a compelling exploration of love, loss, and resilience set in the rugged Australian outback. The book's lyrical and poignant prose captures the harsh beauty of the landscape and the complex emotions of its characters. Gaunt's vivid descriptions and intimate character portraits place the reader in the heart of the outback where love and loyalty collide with betrayal and heartache. Mary Gaunt, a celebrated Australian author and feminist, drew inspiration from her own experiences as a woman in a male-dominated society to write *Dave's Sweetheart*. Gaunt's unique perspective and keen insight into human relationships shine through in this novel, making it a timeless and powerful work of Australian literature. I highly recommend *Dave's Sweetheart* to readers who enjoy thought-provoking stories that explore the depths of the human experience. Mary Gaunt's skillful storytelling and rich character development make this novel a captivating and unforgettable read.

When local law enforcement is unable to solve the case, Argyll's family friend and lawyer Richard Redfield goes to New York to enlist the services of Mr. Burton, a famous detective. **Erlanger Beiträge zur englischen Philologie**, 1891 Earth Logic Laurie J. Marks, 2005-06-13 A sweeping drama of war, intrigue, magic, and love. With *Earth Logic*, Laurie J. Marks continues the epic of her stunningly imagined world of Shafal, which she first introduced in *Fire Logic*. Shafal has a ruler again, a woman with enough power to heal the war-torn land and expel the invading Sainnites from Shafal. Or it would have a ruler if the earth witch Karis G. deon consented to rule. Instead, she lives in obscurity with the fractious family of elemental talents who gathered around her in *Fire Logic*. She is waiting for some sign, but no one, least of all Karis herself, knows what it is. Then the Sainnite garrison at Watford is attacked by a troop of zealots claiming to speak for the Lost G. deon, and a mysterious and deadly plague attacks the land, killing both Sainnites and Shafali. Karis must act or watch her beloved country fall into famine and chaos. And when Karis acts, the very stones of the earth sit up and take notice. The Rise of the Algorithms John M. Jordan, 2024-03-19 The meteoric rise of online video is reshaping the competition for human attention. *The Rise of the Algorithms* argues that this new technology has changed the way we interact with others, our relationships with public institutions, and our very own behaviors and psyches. In tracing the origins and evolution of online video, John M. Jordan examines the mechanics and the ethical stakes of online video platforms, especially YouTube and TikTok, but also others such as Twitch. Tracing the use of algorithms pioneered by Facebook and Google and so successfully exploited by TikTok's corporate parent ByteDance, Jordan

shows how these platforms now engineer human behavior with consequences for culture politics and identity Jordan argues that we are at an inflection point Until now we have proved as a society ill prepared or unwilling to address such problems as the power of digital platforms the personal cost of viral celebrity the invasion of privacy and the proliferation of disinformation The Rise of the Algorithms combines this urgent assessment with a clear eyed discussion of present challenges and recommendations for reclaiming our online futures A valuable resource for understanding the transformations that have been and will be brought by YouTube TikTok and similar platforms Jordan s timely book is a vital work for anyone who uses the internet and especially for policy makers technologists communication and media specialists and researchers who have a direct hand in determining the future of our online world **Wildflower** Frederick William Robinson,2023-11-08 Reprint of the original first published in 1857 *Delphi Complete Works of Jules Verne (Illustrated)* Jules Verne,2013-11-17 Jules Verne is a paramount literary figure whose pioneering works have entertained readers for over a hundred years laying the foundations of modern science fiction Verne s influence extends far beyond the realms of literature into the world of science and technology where he inspired generations of scientists inventors and explorers This eBook offers the most complete collection ever compiled of Verne s work in English translation with numerous illustrations rare novels and informative introductions Version 4 Beautifully illustrated with images relating to Verne s life and works Concise introductions to the novels and other texts 50 novels in English translation with individual contents tables French texts available for the 13 novels that cannot appear in English Rare novels appearing for the first time in digital publishing Images of how the books were first published giving your eReader a taste of the original texts Excellent formatting of the texts Famous works are fully illustrated with their original artwork Rare short stories Includes Verne s non fiction masterpiece Celebrated Travels and Travellers Ordering of texts into chronological order and genres UPDATED with revised texts numerous illustrations and three rare translations The Castaways of the Flag The Lighthouse at the End of the World The Chase of the Golden Meteor Please note sadly a complete works of Verne in English is not possible due to copyright restrictions To compensate for the 13 novels not available the original French texts have been provided in their place see the titles given in French below As soon as new translations enter the public domain they will be added to the eBook as a free update CONTENTS The Novels Five Weeks in a Balloon A Journey to the Centre of the Earth From the Earth to the Moon The Adventures of Captain Hatteras The Children of Captain Grant Around the Moon Twenty Thousand Leagues under the Sea A Floating City The Adventures of Three Englishmen and Three Russians in South Africa The Fur Country Around the World in Eighty Days The Mysterious Island The Survivors of the Chancellor Michael Strogoff Off on a Comet The Underground City Dick Sand A Captain at Fifteen The Begum s Fortune Tribulations of a Chinaman in China The Steam House Eight Hundred Leagues on the Amazon The Green Ray Godfrey Morgan K raban the Inflexible The Archipelago on Fire The Star of the South Mathias Sandorf Robur the Conqueror The Lottery Ticket The Flight to France The Waif of the Cynthia North against South
