Long Way Homepoems By Pat Schneider:

How the Light Gets In Pat Schneider, 2013-04-25 When I begin to write I open myself and wait And when I turn toward an inner spiritual awareness I open myself and wait With that insight Pat Schneider invites readers to contemplate their lives and deepest questions through writing In seventeen concise thematic chapters that include meditations on topics such as fear freedom tradition in writing and in religions forgiveness joy social justice and death **How the Light Gets In** gracefully guides readers through the artistic and spiritual questions that life offers to everyone Praised as a fuse lighter by author Julia Cameron and the wisest teacher of writing I know by the celebrated writing guru Peter Elbow Pat Schneider has lived a life of writing and teaching passion and compassion With **How the Light Gets In** she delves beyond the typical how to s of writing to offer an extended rumination on two inner paths and how they can run as one Schneider s book is distinct from the many others in the popular spirituality and creative writing genre by virtue of its approach using one s lived experience including the experience of writing as a springboard for expressing the often ineffable events that define everyday life Her belief that writing about one s own life leads to greater consciousness satisfaction and wisdom energizes the book and carries the reader elegantly through difficult topics As Schneider writes All of us live in relation to mystery and becoming conscious of that relationship can be a beginning point for a spiritual practice whether we experience mystery in nature in ecstatic love in the eyes of our children our friends the animals we love or in more strange experiences of intuition synchronicity or prescience
