The Shadows of Socrates Matt Gatton,2024-02-06 The death of Socrates may be the most famous unsolved murder in history Set during the Peloponnesian War this narrative solves that mystery revealing for the first time how the philosopher was set up who did it and why The influence of the ancient Greek philosopher Socrates has been profound Even today over two thousand years after his death he remains one of the most renowned humans to have ever lived occupying a stratum with the likes of Buddha Jesus Muhammed Confucius and Moses It may not be too much to say that Socrates is the single most recognizable name in the history of all humanity The death of Socrates is in some ways the most famous unsolved murder mystery in history This book will solve the mystery revealing for the first time how he was set up who did it and why What follows is not a philosophical tract but something closer to a novel made all the more compelling because it's true This is a real life whodunit intertwined with a long running war rivalry sex addiction betrayal sedition starvation and epic bravery Socrates was the most rational of men living in the most irrational of times There is another side to this story impiety lack of

reverence for the gods was a religious crime From the perspective of the religious authorities of the time the charge of impiety against Socrates was warranted his trial just and the penalty appropriate The priests did not tolerate scrutiny even in the form of philosophical critique To understand what happened and how it happened we have to come to terms with the motives of the priests and as importantly Socrates motives in provoking them His trial is perhaps first but not last great battle between philosophy and religion The repercussions of this ancient epic apply equally to the West today as Athens also endured pendulum swings between democracy and oligarchy always with bloodshed and never with Socrates s approval

Blackwood's Edinburgh Magazine ,1861 *Spiritual Beliefs and Religious Practices of Ancient Hawai'i* Kathy L. Callahan Ph.D.,2022-02-02 The focus of this book is the spiritual religious life of the indigenous people of Hawai i the Knaka Maoli Their spiritual principles of mlama ina caring for the environment kuleana individual responsibility kkua helping one another and ohana family beyond blood ties enabled the Hawaiians to survive the decimation of their population and colonial

attacks upon their government and cultural heritage Moreover these ideals passed on into the many immigrant groups that came to the Islands and helped them coalesce into one multiracial people The future promise of Hawai i may lie in these ancient principles for they represent a much needed idea of working in harmony with the environment and are characterized by respect tolerance and understanding of differences They may represent a new way of looking at sociocultural processes in the hope of solving complex problems of the modern world This indeed may be the lasting legacy of the Knaka Maoli **The Rescuers** Margery Sharp,2011-12-21 The classic children s fantasy of two mice on a mission to save a Norwegian poet and the inspiration for the beloved 1977 animated Disney movie Miss Sharp s delicate and sophisticated humor is good fun for wise children from age 10 to 100 Los Angeles Times Miss Bianca is a white mouse of great beauty and supreme self confidence who courtesy of her excellent young friend the ambassador s son resides luxuriously in a porcelain pagoda painted with violets primroses and lilies of the valley Miss Bianca would seem to be a pampered creature and not you would suppose the mouse to dispatch on an especially challenging and extraordinarily perilous mission However it is precisely Miss Bianca that the Prisoners Aid Society picks for the job of rescuing a Norwegian poet imprisoned in the legendarily dreadful Black Castle we all know don t we that mice are the friends of prisoners tending to their needs in dungeons and oubliettes everywhere Miss Bianca after all is a poet too and in any case she is due to travel any day now by diplomatic pouch to Norway There Miss Bianca will be able to enlist one Nils known to be the bravest mouse in the land in a desperate and daring endeavor that will take them along with their trusty companion Bernard across turbulent seas and over the paws and under the maws of cats into one of the darkest places known to man or mouse It will take everything they ve got and a good deal more to escape with their own lives not to mention the poet Margery Sharp s classic tale of pluck luck and derring do is amply and beautifully illustrated by the great Garth Williams *BLOODLINE: Our Father's House* Lynn Braxton,2017-05-17 BLOODLINE OUR FATHER S HOUSE is set on the island of Barbados where the great manor house Belle Terre sits empty as it has for almost a century on a cliff overlooking the sea Soft sighing winds whisper through the palms that surround it in concert with the gentle waves that wash ashore in the sheltered cove below Overhead a flock of seagulls circle dive then rise upon the currents and venture further out to sea A tour bus passes through a pair of ornate iron gates in the distance and travels up a shell packed avenue to the main entrance A dozen visitors emerge and enter the house The faded grandeur of Belle Terre holds them spellbound until they are drawn to the arbor and the graves of the legendary Edmond Ribaut and his daughter Desiree Arnaud Kidnapped by a band of Edmond s enemies in 1827 the nineteen year old girl was believed to have perished in a shipwreck as her captors attempted to take her from the island The chance discovery of 1852 of a cemetery 2 000 miles away proved Desiree lived for nine years after her disappearance taking to her grave a secret so shocking that those who found her vowed never to reveal what they had discovered Her remains were returned to Belle Terre in 1933 by the last descendant bearing Edmond Ribaut s bloodline Her strange benefactor would ironically die the day Desiree was laid

to her final rest beside her father in the arbor leaving the great estate in a preservation trust to the island of Barbados

postscript As the sun sets on the island the ageing caretaker guides his cart up the avenue to lock the gates They close with a harsh bang that echoes in the stillness He retraces his path to the workers compound behind the house As he reaches for his latch he turns and looks toward the arbor one last time She will come soon emerging from the shadows to enter the house her blue silk gown whispering across the parquet floors as her soft laughter floats through the rooms where she once played as a child The old man nods and closes his door for the night leaving young Desiree to her benign haunting until the sun rises upon the land once more
