Longitudes And Attitudes Exploring The World After September 11 Large Print:

Longitudes and Attitudes Thomas L. Friedman, 2003 A collection of columns written by this author published about September 11 as well as a diary of private experiences and reflections traveling the world reporting on the post September 11 world

September 11 in Popular Culture Sara E. Quay, Amy M. Damico, 2010-09-14 This book offers an exploration of the comprehensive impact of the events of September 11 2001 on every aspect of American culture and society On Thanksgiving day after September 11 2001 comic strip creators directed readers to donate money in their artwork generating 50 000 in relief funds The world's largest radio network Clear Channel sent a memo to all of its affiliated stations recommending 150 songs that should be eliminated from airplay because of assumptions that their lyrics would be perceived as offensive in light of the events of 9 11 On the first anniversary of September 11th choirs around the world performed Mozart's Requiem at 8 46 am in each time zone the time of the first attack on the World Trade Center These examples are just three of the ways the world but especially the United States responded to the events of September 11 2001 Each chapter in this book contains a chronological overview of the sea of changes in everyday life literature entertainment news and media and visual culture after September 11 Shorter essays focus on specific books TV shows songs and films

Longitudes and Attitudes Thomas L. Friedman, 2002-09-11 America's leading observer of the international scene on the minute by minute events of September 11 2001 before during and after As the Foreign Affairs columnist for the The New York Times Thomas L. Friedman is in a unique position to interpret the world for American readers Twice a week Friedman's celebrated commentary provides the most trenchant pithy and illuminating perspective in journalism Longitudes and Attitudes contains the columns Friedman has published about the most momentous news story of our time as well as a diary of his experiences and reactions during this period of crisis As the author writes the book is not meant to be a comprehensive study of September 11 and all the factors that went into it Rather my hope is that it will constitute a word album that captures and preserves the raw unpolished emotional and analytical responses that illustrate how I and others felt as we tried to grapple with September and its aftermath as they were unfolding Readers have repeatedly said that Friedman has expressed the essence of their own feelings helping them not only by explaining who they are but also by reassuring us about who we are More than any other journalist writing Friedman gives voice to America's awakening sense of its role in a changed world
