## **Longitudes And Attitudes Exploring The World After September 11:**

**Longitudes and Attitudes** Thomas L. Friedman, 2003-08-12 From the Pulitzer Prize winning New York Times columnist and bestselling author of *From Beirut to Jerusalem* and *The Lexus and the Olive Tree* comes this smart penetrating brilliantly informed book that is indispensable for understanding today's radically new world and America's complex place in it Thomas L. Friedman received his third Pulitzer Prize in 2002 for his clarity of vision based on extensive reporting in commenting on the worldwide impact of the terrorist threat In *Longitudes and Attitudes* he gives us all of the columns he has published about the most momentous news story of our time as well as a diary of his private experiences and reflections during his post September 11 travels Updated for this new paperback edition with over two years worth of Friedman's columns and an expanded version of his diary *Longitudes and Attitudes* is a broadly influential work from our most trusted observer of the international scene

*Longitudes and Attitudes* Thomas L. Friedman, 2002-09-11 America's leading observer of the international scene on the minute by minute events of September 11th before during and after As the Foreign Affairs columnist for the *The New York Times* Thomas L. Friedman is in a unique position to interpret the world for American readers Twice a week Friedman's celebrated commentary provides the most trenchant pithy and illuminating perspective in journalism *Longitudes and Attitudes* contains the columns Friedman has published about the most momentous news story of our time as well as a diary of his experiences and reactions during this period of crisis As the author writes the book is not meant to be a comprehensive study of September 11 and all the factors that went into it Rather my hope is that it will constitute a word album that captures and preserves the raw unpolished emotional and analytical responses that illustrate how I and others felt as we tried to grapple with September and its aftermath as they were unfolding Readers have repeatedly said that Friedman has expressed the essence of their own feelings helping them not only by explaining who they are but also by reassuring us about who we are More than any other journalist writing Friedman gives voice to America's awakening sense of its role in a changed world
