Longman Companion to the Formation of the European Empires, 1488-1920 Muriel E. Chamberlain, 2014-06-11 The European empires as they existed from the Age of Discovery until after the First World War shaped the modern world. So great has been their political, economic and cultural influence that to fully understand contemporary history and events it is essential to have an understanding of the imperial past. This book is an impressive achievement. It brings together in one comprehensive volume all the essential facts and figures relating to the process of empire building by the European powers. It complements the Longman Companion to European Decolonisation in the Twentieth Century by the same author; together they help to explain why different empires had different philosophies, dissolved in different ways and left different legacies

Longman Companion to the First World War Colin Nicolson, 2014-07-15 This new Companion covers one of the most devastating conflicts in modern history. The Great War traumatised a generation and shaped the whole of the twentieth century. Speaking as loudly as any first-hand account, the facts and figures laid out in this volume reveal the sheer massive destruction caused by the war. Covering all aspects of the conflict from its origins and course to the peace settlements and the crises they generated, Colin Nicolson unravels historical controversies and also considers the social, cultural and economic consequences of the war for the whole of Europe. Containing all the essential facts and figures, this Companion will be greatly welcomed by teachers, academics and students alike

The Routledge Companion to Central and Eastern Europe Since 1919 Adrian Webb, 2008-04-16 With a wealth of chronologies, tables and maps together with discursive chapters on key issues and a guide to the historiography, this handy book is an indispensable resource for all who wish to understand the complex history of central and eastern Europe

Longman Companion to European Decolonisation in the Twentieth Century Muriel E. Chamberlain, 2014-06-11 This new Companion brings together in one single volume all the essential facts and figures relating to European decolonisation in the twentieth century. Professor Chamberlain has taken each European empire in turn: the British, French, Dutch, Portuguese, Spanish, Belgian and Italian, and for each one she has provided a detailed chronology of the process of decolonisation in the individual states

Longman Companion to Slavery, Emancipation and Civil Rights Harry Harmer, 2014-06-11 This Companion provides the essential background to the defining fate of the African diaspora in the Americas and the Caribbean from the 15th to the 20th centuries. Central to the book are detailed chronologies on the development and decline of the slave trade, slavery in colonial North and South America, the Caribbean and the United States, movements for emancipation and the progress of black civil rights. Separate sections look at the long-running resistance against slavery and the black civil rights

movements in the Americas and the Caribbean with a comparative chronology of apartheid in South Africa Supported by biographies of over 100 key individuals and a full glossary providing definitions of crucial terms expressions ideas and events this is required reading for anyone interested in the historical experience of slavery Technology and the Environment in State-Socialist Hungary Viktor Pál, 2017-09-15 This book explains how and why the state socialist regime in Hungary used technology and propaganda to foster industrialization and the conservation of natural resources simultaneously Further this book explains why this process was ultimately a failure By exploring the environmental pre history of communist Hungary before analyzing the economic development of the K d r regime P l investigates how economic and environmental policies and technology transfer were negotiated between the official communist ideology and the global economic reality of capitalist markets P l argues that the modernization project of the K d r regime 1956 1990 facilitated ecological consciousness at both an individual and societal level which provoked great social unrest when positive environmental impact was not achieved Today global issues of climate change urban pollution resource depletion and overpopulation transcend political systems but economic and environmental discourses varied greatly in the twentieth century This volume is important reading for all those interested in economic and environmental history as well as political science *The Longman Companion to the Conservative Party* Nick Crowson, 2016-09-17 This Longman Companion provides a wide ranging compendium of essential facts and figures on the Conservative Party from its origins in the 1830s to the dawn of the 21st Century Central to the book are the detailed chronologies on the Conservative Party s years in government and opposition In addition it contains fascinating information on the Party s relationships with women ethnic minorities the trade unions Europe Ireland ideology social reform and empire *The PDS - A symbol of eastern German identity?* Adrian Webb, 2009-03-26 Die Linke the Left is now Germany s third largest political party and the fourth largest political grouping in the Bundestag Germany s parliament Die Linke however is the result of a fusion in June 2007 between the left wing of the German social democratic party SPD and the Partei des demokratischen Sozialismus PDS the successor to East Germany s former effectively Communist ruling party the SED In practice the PDS contributed 60 000 of the new party s 72 000 members making Die Linke an essentially eastern German party Moreover the PDS had been unique in enjoying a level of electoral success denied to other Communist successor parties which had not turned themselves into mainstream social democratic parties within the new liberal democratic order This book employing the period 2001 03 for its detailed analysis suggests that this uniqueness is best understood as either an expression of eastern German national sentiment or as deriving from a reinterpretation of Marxism attuned to the interests of a democratic twenty first century society and the book explores these alternative understandings in turn Noting both the historic distinctiveness of German capitalism and the contradictions within German communism it concludes that the PDS now fused in Die Linke remains nourished by the particularism of eastern Germany
