Error Correction in the Foreign Language Classroom Mirosław Pawlak, 2013-08-13 The book aims to dispel some of the myths surrounding the place of oral and written error correction in language education by providing an exhaustive and up to date account of issues involved in this area taking the stance that the provision of corrective feedback constitutes an integral part of form focused instruction This account places an equal emphasis on the relevant theoretical claims the most recent research findings and everyday pedagogical concerns particularly as they apply to the teaching of additional languages in the foreign language setting The book will be of relevance and significance not only to specialists in the field of second language acquisition but also to graduate and doctoral students carrying out research in the area of form focused instruction and error correction Many parts of the volume will also be of considerable interest and utility to teachers of foreign languages at different educational levels

Absolute Clauses in English from the Systemic Functional Perspective Qingshun He, Bingjun Yang, 2015-02-26 This book focuses on the structural diversity semantic variability case choice stylistic characteristics and diachronic distribution of English absolute clauses The syntactic roles assumed by absolute clauses in the traditional sense can be categorized into clausal adjuncts attendant circumstances and appositives

These three types of function correspond to the three hypotactic expansions in the relation system of clause complexes in Systemic Functional Linguistics i.e. elaboration extension and enhancement This research therefore redefines absolute clauses in the framework of SFL and proposes four syntactic types of absolute clauses absolute paratactic clauses elaboration absolute hypotactic clauses extension and enhancement absolute projected clauses fact and act and absolute embedded clauses subject Based on the Brown family corpora BNC and COHA this research finds that different function types of absolute clauses differ in terms of their stylistic and diachronic distributions and both nominative and accusative cases are acceptable
