environment the cash leakage from local economies and other adverse impacts There were no such problems in relation to the management of urban and rural estate The Commissioner s responsibilities for the seabed the foreshore and other ancient rights in Scotland should be devolved then decentralized as far as possible Devolution to Holyrood should be conditional upon agreement between the Secretary of State for Scotland and the Scottish Government on how such a scheme of subsidiarity to local authority and local community levels should be implemented This report also sets out how different arrangements could be made for each of the Scottish Crown property rights and responsibilities Further consultation should proceed on the basis of proposals set out by the Highlands and Islands local authorities which provides a clear framework on which to base discussion

MSPs and Scottish MEPs should be revisited changes should be made to allow UK and Scottish parliamentary committees to work together positive consideration should be given to whether Scottish ministers can give evidence to UK Parliament committees examining Scotland Act Orders arrangements should be made to remove any unnecessary barriers to access for MSPs visiting Westminster a programme of exchanges and secondments with the Scottish Parliament should be funded and encouraged by the House
