George and Arthur met as fraternity brothers in college. Back then they were hazy representations of the men they would one day become. By some sort of miracle, each of the four develops as a strong leader pulled to the power of the church. In adulthood, they reach the pinnacle of career success as influential mega church pastors. However, things are not what they seem. These four friends hold more authority than any men rightly should. The full package they have: charisma, good looks, money, and Ivy League resumes. To the average layman, these church overseers are the epitome of what a spiritual guru should be, but to the keen observer, they are more feared than loved. To those enlightened by truth, the reality of their identities is clear. James, Carlos, George, and Arthur are not men of the cloth but gangsters who run both their churches and the streets with dictatorial glee. With rumors of ties to the Illuminati circulating, these four prominent pastors are now catapulted from the crime-riddled streets of Jacksonville, Florida, to the forefront of a secret national movement that threatens lives and even souls.

*Becoming* Michelle Obama, 2018-11-13. An intimate, powerful, and inspiring memoir by the former First Lady of the United States. 1 NEW YORK TIMES BESTSELLER. WATCH THE EMMY-NOMINATED NETFLIX ORIGINAL DOCUMENTARY. OPRAH'S BOOK CLUB PICK. NAACP IMAGE AWARD WINNER. ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS. In a life filled with meaning and accomplishment, Michelle Obama has emerged as one of the most iconic and compelling women of our era. As First Lady of the United States of America, the first African American to serve in that role, she helped create the most welcoming and inclusive White House in history while also establishing herself as a powerful advocate for women and girls in the U.S. and around the world, dramatically changing the ways that families pursue healthier and more active lives and standing with her husband as he led America through some of its most harrowing moments. Along the way, she showed us a few dance moves, crushed Carpool Karaoke, and raised two down-to-earth daughters under an unforgiving media glare. In her memoir, a work of deep reflection and mesmerizing storytelling, Michelle Obama invites readers into her world, chronicling the experiences that have shaped her from her childhood on the South Side of Chicago to her years as an executive, balancing the demands of motherhood and work to her time spent at the world's most famous address. With unerring honesty and lively wit, she describes her triumphs and her disappointments, both public and private, telling her full story as she has lived it in her own words and on her own terms. Warm, wise, and revelatory, *Becoming* is the deeply personal reckoning of a woman of soul and substance who has steadily defied expectations and whose story inspires us to do the same.
