See Jane Win Caitlin Moscatello, 2019-08-27 A NEW YORK TIMES BOOK REVIEW Editor's Choice Pick From an award winning journalist covering gender and politics comes an inside look at the female candidates fighting back and winning elections in the crucial 2018 midterms After November 8 2016 first came the sadness then came the rage the activism and the protests and finally for thousands of women the next step was to run for office many of them for the first time More women campaigned for local or national office in the 2018 election cycle than at any other time in US history challenging accepted notions about who seeks power and who gets it Journalist Caitlin Moscatello reported on this wave of female candidates for New York magazine's The Cut Glamour and Elle And in See Jane Win she further documents this pivotal time in women's history Closely following four candidates throughout the entire process from the decision to run through Election Day See Jane Win takes readers inside their exciting winning campaigns and the sometimes thrilling sometimes brutal realities of running for office while female MEET THE CANDIDATES Abigail Spanberger a mom of three young girls and a former CIA operative running for Congress in Virginia to unseat Freedom Caucus member Dave Brat Catalina Cruz a Colombian born attorney whose state assembly bid could make her the first Dreamer elected in New York and only the third in the country Anna Eskamani an Iranian American woman running for state office in Florida with a campaign motivated by her mother's health care struggles and the Pulse Nightclub shootings London Lamar a Memphis native looking to become the youngest female representative in the Tennessee state house running in one of the only Democratic and Black majority areas of a largely conservative state Beyond the 2018 victories Moscatello speaks with researchers strategists and the leaders of organizations that helped women win What she discovers is that the candidates who triumphed in 2018 emphasized authenticity and passion instead of conforming to the stereotype of what a candidate should look or sound like a formula that will be more relevant than ever as we approach the 2020 presidential election

Small Town Alfonzo Lanier, 2018-02-23 Small Town is a fictional story of a family's generational navigation through the Jim Crow South The book is a collection of fictional stories woven together to describe the lives times and struggles of a black family living in the Deep South in a climate of racial animus Three generations of family members experiences are depicted in a plethora of colorful characters The only thing that helped this family through precarious and challenging times was their faith family and friends Ultimately the book Small Town shows us that no matter what we encounter or embark on in life we can achieve and be successful under even the most distressful circumstances This family's accomplishments were typical of a generation of people who were persistent and who instilled perseverance in their children passed down from generation to generation The Southern town where the setting of the book is depicted is a typical southern small town as they existed after the Civil War Reconstruction Small Town refers not only to the population of the Southern town but also its mentality Small towns were microcosms of the racist and white supremacist attitudes that were pervasive below the Mason Dixon line before and after landmark civil rights legislations Rumors and rumors of rumors were a constant in this environment Everyone knew your comings and goings in

this small American town and similarly just like the major cities only a few prominent families dictated who would be the haves and the have nots The fictional family in this book displayed the balance and flexibility to walk the tightrope of race and bigotry to maintain a social status that was rare and unique for black families in the Deep South Religion and education were the foundations for this family and were their main weapons against any adversity that they encountered

Playing to Win Kim Findlay,2024-03-01 Braydon I fought to play in the NHL Now I may have blown my chance with a drunken rant that went viral about the female goalie who shared my NHL debut I can't say that I reacted badly after I found out she was the secret half sister I never knew existed To repair my reputation and prove I support women's hockey I

m pretend dating a hockey player So bizarre Fortunately she s brilliant as well as an Olympic champion And did I mention sexy When she gets devastating news I support her and things between us feel real It s hard to remember she s only dating me for her job because she refuses to be just the girlfriend of a hockey player Jayna I m one of the top women players in hockey but my family still considers my brother drafted but playing in Europe a bigger success They re more invested in his career than mine even though I won a fricking Olympic gold medal Now I m injured and working PR for the Toronto Blaze NHL team while I rehab When an idiot they brought up from the farm team gets caught dissing my teammate I m asked to fake date him to rehab his reputation It s just temporary Until the worst happens and suddenly my fake date is my biggest support But I can t lose my identity I m a hockey player not a WAG

Appalachian Underground Jean Casey,2004 A man sets out for a night of gambling yet ends up in a high speed chase with a State Trooper that causes him to not be able to return home During the night of gambling he meets up with an old girlfriend from the past who believes he can win her a million dollars in a high stakes poker game First they have to come up with the buy in fee and to do this they have to play by the rules of a crooked small town sheriff which puts them in the middle of an F B I sting From the very beginning however the C I A has set them both up without anyone s knowledge having their own plans for the money should they win The How-to-win Trial Manual - Sixth Edition Ralph Adam Fine,2015-02-01 Win More Cases and Help More Clients Ralph Adam Fine pulls no punches In the sixth edition of his highly acclaimed How To Win Trial Manual shows why the traditional ways to try a case in court are suicidal and gives extensive examples of such suicidal advocacy by famous high profile well paid trial lawyers In each of his examples Ralph Adam Fine shows how the lawyers could have done a better job This will help you hone your winning skills Ralph Adam Fine also demonstrates why many of Irving Younger s famous Ten Commandments of Cross Examination are not only wrong but why following them significantly reduces your chances of winning Since it was first published by JURIS in 1998 Ralph Adam Fine s The How To Win Trial Manual has been giving lawyers that special edge so they can win even the toughest cases Now in this newly revised sixth edition The How To Win Trial Manual takes the unique extra step of showing how and why famed trial lawyers Vincent Bugliosi and Gerry Spence both superb advocates could have been even more effective in their ground breaking face off when Bugliosi prosecuted and Spence defended Lee Harvey Oswald in connection with the assassination of President John F Kennedy The trial memorialized in a superb two disc DVD set On Trial Lee Harvey Oswald was before a sitting Texas federal district court judge and a jury of Dallas citizens taken from the Dallas jury rolls Although the trial was more than two decades removed from the assassination Bugliosi and Spence managed to get as witnesses many of the people who were at the assassination and its aftermath none of the witnesses testifying in the trial were actors The trial was in London in a replica of a Texas federal courtroom and both Bugliosi and Spence gave it their all preparing as they would have for a real trial and arguing their respective positions with the gusto for which each is justifiably famous Ralph Adam Fine has taken the transcript of the two disc DVD set and shown with his

interleaved comments as he has done with the O J Simpson Martha Stewart and Enron Jeffrey Skilling and Ken Lay trials as well as a federal court antitrust trial how Bugliosi and Spence could have been better The Oswald chapter new for the sixth edition will help all trial lawyers nail the winning techniques to be successful in the courtroom The sixth edition also gives us Ralph Adam Fine s special insights into the strategies and trial techniques of the prosecution and defense in the murder trial of Michael Peterson memorialized in the six hour DVD set Death on the Staircase Peterson was charged with killing his wife He claimed at trial that she accidentally fell down the stairs in their Durham North Carolina mansion This chapter too is new for the sixth edition How To Win Trial Manual and it shows what works and what does not work and why It will help lawyers avoid the common traps that sink even the best plans well laid The How To Win Trial Manual shows how to win by using your most powerful tool The jury s belief that you the lawyer know the truth of the case Ralph Adam Fine also shows how to ask questions on both direct examination and cross examination so the jury will know the answers before the witnesses whether lay or expert respond Simply put if you phrase your questions so that the jury answers them the way you want before your witnesses answer and irrespective of what your adversary s witnesses may say on cross examination you will win For a further explanation of Ralph Adam Fine s and winning techniques as well as what other lawyers have said about The How To Win Trial Manual visit his website www.winyourtrial.com Ralph Adam Fine shows you how to do all of this and more You and your clients deserve no less
