Barcat Skipper Larry S. Chowning,2008-08-19 Tangier Island lies in the Chesapeake Bay about midway between Tidewater Virginia and Virginias Eastern Shore about ten miles below the Maryland state line and about forty miles above Cape Charles Since Tangier was settled nearly three hundred years ago most of the men who have lived there have worked the water and to a large extent that is still the case Until recent years the islanders lived in remote isolation They were an independent lot self reliant and not infrequently rather eccentric The tales in this collection are true For the most part they recount events in the life of Elmer Crockett born on Tangier in 1903 who has shared with Mr Chowning the reminiscences of his lifelong occupation as a waterman A few of the stories involve earlier generations of Crocketts and the accounts handed down have become part of the island lore Sometimes two or more events have been woven together sometimes names have been changed a little poetic license has been taken but all in all the tales are a true mirror of life on Tangier Island This is the real stuff told by a natural born storyteller recorded by a sensitive reporter with an ear for the turn of phrase and the rhythm

of the island speech The barcat of the books title refers to a workboat characteristic of the Tangier areaa small skipjack usually 26 to 28 feet long with a catboat rig *Clear Signals* Kevin Darnell,2022-08-10 CLEAR SIGNALS goes into events thoughts and emotions surrounding the terminal illness and death of my wife in 2010 It also deals with the ensuing aftermath May 2010 May 2012 and various contradictions for the bereaved as I moved through the world then It flashes in and out of years of history for my wife and for myself including childhood years Thus then the death first years of history second a tying together of memory third *When the Killing Starts* Ted Wood,2014-04-01 This gripping crime thriller pits the most savvy cop currently in the genre and his police dog against a band of mercenaries Library Journal Reid Bennett police chief of tiny Murphy s Harbour in Canada is looking forward to a month s vacation He plans to spend time with his girlfriend Freda and he might even get to go fishing with his dog Sam But then Norma Michaels the wife of a rich businessman turns up with a 25 000 offer Find her twenty year old son Jason He has run off with some mercenaries to train for overseas service and she is afraid she has lost him forever Even though he is of age she wants him found and she will pay handsomely The mercenaries call themselves Freedom for Hire and their leader is a cashiered sergeant from the British paratroopers who now styles himself Colonel George Dunphy He was court martialed for brutality forced out of the service and stands ready to brutalize a bunch of young men while stealing their pay Since people like Dunphy annoy Reid he decides to take the job despite the minor risk of a few ex SAS men with automatic weapons but he is more worried that the boy will not want to come home when he is found There are lots of questions to be answered when he and his German shepherd head north on the hunt for a few good or maybe bad men **The Pastor** J.
