An invaluable resource for general readers at any career stage, this book explains why, when and how to engage in a fulfilling nontraditional career path that is both inspiring and practical. The paradigm of the successful career has shifted. No longer is working for a single company or even within a single career field throughout one's lifetime the norm. Today many people are considering nontraditional paths to achieving success. How to Build a Nontraditional Career Path: Embracing Economic Disruption explains what such a career path looks like and details the benefits and challenges of pursuing this option. Author Ron Elsdon identifies the types of individuals who will likely find nontraditional careers attractive and examines critical strategic issues, thereby enabling the reader to assess whether and how such a path might fit their personality, life goals and career objectives. **Just To Make You Smile** Sarah Caldwell, 2015-04-27. My dad was going to die. My sweet, loving, caring and wonderful in every way dad was going to leave me before he could watch my sister and me grow up. At the tender age of fifteen, Sarah Caldwell learned that her father had been diagnosed with ALS (amyotrophic lateral sclerosis) and had only a short time left to live. In moments, her life went from texting friends, going to gymnastics practice and family vacations by the sea to watching her father's rapid, irreversible deterioration, a process that plunged her into deep depression. But Jim Caldwell was a man whose indomitable spirit in the face of his suffering provided the ultimate inspiration for Sarah to transform her depression into a journey of healing and love. She learned to accept her and her father's fate and became determined not to waste a moment of the time she had left with him. When her father passed away, leaving Sarah to face life without her beloved dad, she was determined again to continue on the path of hope and strength, making sense of her loss and honoring his life by helping raise awareness of ALS and money for desperately needed research for a cure. With a special foreword by former pro football player Steve Gleason, *Just To Make You Smile* is the rare, honest, compassionate and bold account of a young adult's process of watching a parent get ill and die and the inspiration she hopes to impart by sharing her grieving process, deep inner growth and healing. bestselling author of *Must Love Dogs* **ALL THE DIFFERENCE** Once again everything isn't what it seems in the wonderful suburb of Grandville. This is the story of three women whose lives become entangled by the choices they make and how ultimately one of them turns to murder to achieve her goals. There are few things more entertaining than stories revealing the seamy underside of suburban life. The US Review of Books **RECOMMENDED**. An intriguing cast of characters and an untimely death set the stage for a chick lit murder mystery in Rouda's *Here Home Hope* 2011 latest novel. A light engaging read that keeps readers guessing until the end. KIRKUS Reviews **IN THE MIRROR**. Jennifer Benson is a woman who seems to have it all. Diagnosed with cancer, she enters an experimental treatment facility to tackle her disease the same way she tackled her life head on. But while she's busy fighting for a cure, running her business, planning a party, staying connected with her kids, and trying to keep her sanity, she ignores her own intuition and warnings from others and reignites an old relationship best left behind. If you knew you might die, what choices would you make? How would it affect your marriage? How would you live each day? And how would you say no to the one who got away? Rouda writes with a fluent, psychologically subtle realism that cuts Jennifer's pathos and occasional self-pity with humor and irony, and she surrounds her with characters: doting dad, vain shallow mom, mensch of a gay business partner, sarcastic gal pals who are sharply etched and entertaining. Jennifer is a winning heroine and readers will undoubtedly root for her as she reaches for a more mature, if achingly uncertain future. An absorbing story of a woman grasping at life in the midst of death. Kirkus Reviews **A MOTHER'S DAY A SHORT STORY**. Three mothers. Three sons. One day that connects them. Kaira Rouda tackles the big issues of life and death with candor and hope in this tribute to motherhood. A tragic event reawakens each woman to her own special gifts and her love for family and friends is reborn. Three mothers. Three sons. Six lives that will be changed forever. **Creating the Moms Group You've Been Looking for** Jill Savage, 2004. How's Your Motherhood Network?
