*It Doesn't Cost A Million to Look A Million* Carl H. Becker, 2021-12-06 The old saying is a picture is worth a thousand words. Believe it or not but appearance accounts for a great deal in your life. Think of yourself as a book cover. It is the book cover that sells the book or not. Those same laws of attraction also apply to you. So if you're well groomed and wearing the correct apparel you'll attract attention. We only get one chance to make a first impression. Ninety percent of that first impression is visual and you're being summed up by your observer to the way you look in perhaps sixty seconds or less. The other person observer be it a complete stranger peer coworker or employer is judging you based upon the way that you look. Do you want to attract people into your life? Or do you want to repel people? Creating that positive image of yourself can open the door to conversation and that conversation can lead to opportunities of enriching your life. So why would you want to shoot yourself in the foot? My book will teach you.
