The One Year Devotions for Women Ann Spangler,2012 Peace don t we all want just a little more peace in our lives Peace in relationships Peace at home and at work Peace from painful memories Release from pressures and demands that threaten to crush us Is there a way to find peace in all these areas What if we could build a moment of peace into every day of the year opening our hearts to the peace God has promised Wouldn t it be great to live with less fear and anxiety and with more confidence and joy The One Year Devotions for Women Becoming a Woman at Peace is a chance to spend time with God every day to breathe deeply and grab onto the kind of peace that only God can offer a peace far richer and more satisfying than anything we can hope or imagine Each of these uplifting devotions includes a key NLT Scripture verse a devotional reading and a suggested prayer for connecting with God

Confession Adrienne von Speyr,2017-03-22 In this second edition of her profound book on confession which theologian Hans Urs von Balthasar calls one of her most central works Adrienne von Speyr discusses the moral and practical aspects of this sacrament in great depth The most complete spiritual treatise on confession ever written the book covers conversion scruples contrition spiritual direction laxity frequency of confession confessions of religious and lay people and even confessions of saints The most intriguing element in von Speyr s understanding of confession fully developed in this volume is its trinitarian and christological basis The Cross is the archetypal confession and Christian sacramental confession is thus an imitation of Christ in the strict sense Confession examines the enormous fruitfulness of this dogmatic basis from many perspectives giving a wealth of suggestions that both the theological expert and the layman will find very helpful Its practical applicability to one s own confession emerges from every page

Do Your Best and Trust God for the Rest James W. Moore,2013 You don t have to be perfect or even good just be faithful and then let God take it from there *A Fresh Look at Confession* David M. Knight,2013 David Knight was forty years a priest before he learned that priests don t hear sins in confession What you are really revealing is your ideals he says The real you has a different set of ideals reflecting your heart instead of your lapses This you abides with God With these words Father Knight reveals that A Fresh Look at Confession is unlike anything you may have read about the sacrament He speaks about the heart of confession its meaning and mystery and why it is so necessary for authentic followers of Christ This is deep theology explained in clear language But it s also much more Father Knight s moving intensely personal account of his own journey as a sinner takes readers beyond theory and into the awe inspiring reality of our complete redemption in Jesus who does not just forgive but who takes away the sins of the world From a varied background as missionary teacher pastor professor retreat director and campus minister Father Knight s ministry has come to focus on making mystical experience commonplace in conscious Christian living Book jacket

War Trials Will Yates,2021-05-12 War Trials tells the gripping and in depth true story of a British soldier s role in the drowning of an Iraqi teenager in May 2003 the devastating

investigation and resulting court martial This narrative non fiction tracks the soldier s life from tight knit broken family home in Merseyside through deadly urban conflict in the Middle East to a different battle fought against PTSD while he awaited a military tribunal back in the UK The military court case in 2006 marked the first of its kind relating to the Iraq war and a case that opened the flood gates of multiple investigations and inquiries into the conduct of soldiers overseas Based upon rigorous new research this book s untold personal story explores the horrors of battle and the chaos of a post war city and a young soldier s struggle against depression suicide attempts and deep sense of being let down by the army he sought to serve This soldier would eventually endure numerous investigations and face the threat of the International Criminal Court for war crimes but these are the shocking events that started it all It is the compelling story of a contentious military campaign with little preparation for the disastrous fall out the soldiers pushed to the limit who maintained a wall of a silence after doing the unthinkable and a floating body of dead child who came to symbolize a generation lost to war

Looks to Lift the Spirit J. Bernard Taylor,2011-02-26 The format of this book is unique featuring an acrostic on the word LOOK The purpose of the book is to provide Biblical insights for daily living The discussion of each Bible passage is an acrostic of the word LOOK The letter L stands for the lesson or purpose of the Scripture The letter O represents the outline of the passage The next letter O contains an overview of the passage and the letter K asks a reflective question about it Each LOOK ends with a sentence prayer Readers may browse for LOOKS which might seem appropriate for them at that time or read them all consecutively He sincerely hopes the book will benefit the readers in meeting their daily spiritual needs These LOOKS come from sermons preached through the years but the format makes them more than just a book of sermons They are synopses of sermons with an interesting format getting to the main points of the message with an opportunity for response A special section of the book deals with LOOKS in building a great church These LOOKS including prayer witnessing teaching and serving are signs of strong vibrant churches that are on a continual journey of renewal and transformation
