## Looking Into Hell:

Looking into the Revelation Dr. Boyd O. Gray, 2013-08 Since the Bible was first written the book of Revelation has provided readers with a glimpse of what is to come But even as the world rapidly fulfills the ancient Scripture many still avoid its obscure symbolic language which often lends itself to fanatical interpretation In Looking into the Revelation a seasoned pastor uses various version of the Bible to provide a clear explanation of biblical texts relating to the end of the world as we know it Dr Boyd Gray a minister with more than thirty years of experience offers a comprehensive study from the premillennial view based on his opinion that the masses are either not ready for the return of Christ or have dismissed it as myth altogether As Dr Gray works his way through Scripture detailing the truths of John the Apostle and the predicted tribulations of the Antichrist he demonstrates through his interpretations that God s Word is the truth a message he hopes will motivate sinners to heed the Lord s gracious call to salvation Looking into the Revelation shares a careful examination of biblical text that seeks to encourage people of all faiths to reexamine their lives and their beliefs and to fall in love with the Lord Jesus Christ

**"All Authority Has Been Given To Me"** Tim Lehman, 2019-11-20 For much of Christian history greater focus has been paid to Jesus death than to his three years of ministry and his crucifixion has often been understood primarily as a means to salvation in heaven But retired pastor Tim Lehman contends that we've drastically missed the point by not looking closely at and learning from Jesus words and actions before his death As a result we lose out on the joy and freedom of living fully as his disciples and experiencing salvation already in this life on earth In this broad study of Matthew's Gospel Lehman challenges readers to view Jesus death in light of his life He urges us not just to believe in Jesus but to believe Jesus to take seriously all that he taught and how he lived As Lehman leads readers along a carefully laid path Christians and non-Christians alike will have to rethink long held assumptions the place of violence in the Christian life the givenness of division in our modern world the meaning of atonement salvation and the kingdom of heaven and more But along the way we are sure to learn grow and hopefully come to know more deeply God's unconditional love for all
