Let Me Count the Ways Peter De Vries, 2014-10-21 The sins of the father are hilariously visited on the son in this witty and profound novel about the meaning of it all. Stanley Waltz is a Polish American piano mover and pugnacious atheist married to a born again believer. His heroes are H L Mencken and Clarence Darrow, and if he confuses illusion with allusion and thinks a certain style of egg is bedeviled, that does not mean his reasoning is any less sound. Unfortunately, his wife is immune to his intellect and insists not just on saving his soul but on taking their son Tom to the local gospel mission every chance she gets. It is enough to drive a man into the arms of a mistress, funny as a crutch and twice as perceptive, and that is exactly where Stan goes. This leaves Tom twice as mixed up as the average son. In the second section of this side-splitting and thought-provoking comedy, he is a professor of English at the local college; his questions about faith, doubt, and morality as unresolved as they are inescapable. As an undergraduate, he stumbled from girl to girl, breaking up with one because she was a nonbeliever, another because she was too pious. His marriage to a beautiful professor of comparative religion is no solution. In short order, he has an affair, breaks his leg, leads a funeral procession hopelessly astray, and suffers a nervous breakdown. Only a miracle can save him if he can figure out what one might look like. Stanley and Tom Waltz are a father-son duo unlike any other, and *Let Me Count the Ways* is Peter De Vries at his insightful, brilliant, lightning-witted best.

Deeper Than African Soil: An Honest Recollection of Growing Up as a Missionary "Third Culture Kid" Faith Eidse, 2023 *Deeper than African Soil* captures the romantic, porous, open wonder of a child raised among worlds. It unveils the adventure and suffering of revolution, disease, boarding school trauma, wrenching farewells, and losses deeper than most people endure in a lifetime. It explores the nature of memory itself, why we repress it, and how to call it forth. All five senses open. Daughter of Canadian Mennonites, Faith Eidse was separated from family at the scariest moments of her life. Amid postcolonial tensions in Congo, Canada, and the U.S., Faith and her sisters Hope, Charity, and Grace lived vivid lives.

bridging cultures from their home Dutch Mennonite to their host villages in southern Manitoba the American Midwest and southwestern Congo Yet home was always changing sometimes drastically Faith seldom felt she truly belonged to the places they lived In the United States Faith was an immigrant In her parents passport country Canada she was a visitor In Congo she claimed friendship longing and memories She related to all cultures yet owned none formed identity from bits of home first culture and host second or third cultures to create a unique third culture Third culture kids each have their own enriched complicated story but share a diaspora of the heart and longing for home 352pp illus Masthof Press 2023
