Horne, 2008-01-04 LIFE IN A REAR VIEW MIRROR begins with a cryptic and purposefully humorous review of the authors life from birth through the formative years This life is transformed by the forces of war providing a first view of death from a very close perspective This haunting experience is followed by inscription into Military Service and the perilous training that follows to develop a warrior The story progresses through a peace time service fraught with the problems of unprofessional elements within Thrust into war in SE Asia the military next contends with experts unable to accept the new challenge guerrilla warfare Recounts of duty in SE Asia demonstrate the horrors of war and those elements of humor intertwined throughout this process of fighting a war without definitive guidelines and lacking the total support of your government Post war assignments with foreign nations and a brief service in the black world with the CIA conclude this military career The story culminates with a new war

However in his debut release Donald Ray Lavan AKA Noble Dee provides the true definition of both words separating the real and the facts from the faade and the fiction of todays controversial terminology Best of all he describes in very minute details what the Game Pimpin was like for him in his era the 1960s to Y2K The New Millienium In this tell all non fiction Noble Dee illustrates in a very blaxploitation mannerhis personal existence in the game Not only does he exploit his successes he also exposes the very grim details of the life both in tones whereas you the reader bask in his glory and share his pains the pain of possibly regret in the life that he cherished for almost four calendar decades Wholeheartedly Noble Dee expresses how his own glorification of the game indirectly allured his first born daughter into a position to be manipulated and exploited by pimps just as he had manipulated and exploited so many daughters throughout his 35 years plus career Not since Robert Beck revealed to the masses the vivid street Realities of a Pimps Life in his book Pimp The Story of My Life By Iceberg Slim has the entrenching truth behind the lifestyle termed pimpin been exposed to this degree Thus the primary title Pimp Reflections of My Life [www.JumpInterstateNBiz](http://www.JumpInterstateNBiz.com) **Life in Motion** Amanda Apthorpe,Brian Prousky,Ronald Bagliere,2023-08-04 A collection of three novels by Amanda Apthorpe Brian Prousky Ronald Bagliere now available in one volume Whispers In The Wiring After the death of his twin brother Catholic priest Rupert Brown is burdened with grief When neuroscientist Athena Nevis invites him to take part in her research on heightened religious experiences Rupert begins to question his life Soon Athena s and Rupert s interest begins to extend beyond their professional relationship bringing them both face to face with their values and spirituality Auden Triller Is A Killer Simon and Auden Triller are twins whose only similarity is the surname they share Auden s life is as sparse as Simon s is full Auden realizes that the solitude he s chosen for himself is less peaceful than insanity making When he finally loses his grip on reality his actions precipitate a tragedy that threatens to sever his fraternal bond just when he needs Simon the most Starting Over After a devastating loss Janet Porter s life in Oregon s Willamette Valley has begun to settle down When her son Nate returns home from Iraq on a medical discharge he just wants to be left alone Desperate for help Janet confides in Andy McNamara a war veteran who volunteers at the local V A clinic Soon it becomes clear that Nate s wounds go far deeper than his torn up leg As a tornado touches down in Willamette Valley they re all thrown into a new world a world of starting over *Life on the Inside* John B. Williams,2020-11-27 This book is about John Williams s life and how he faced the many challenges and obstacles throughout his life Sometimes the choices he made thought out his life were not always in his best interest as he would usually find himself in a place where he really didn t want to be We are all the sum total of our life experiences John Williams shares his unique life beginning with his tumultuous and often risky youth military service and a union leader culminating in his lengthy career as a Corrections Officer His story is mesmerizing as it is timely We all reflect on what makes one good or bad as we reach our senior years John Williams knows that only quirks of fate good luck and for the grace of God that he didn t wind up on the wrong side of the bars John Williams story is authentic and well worth the read *The Life and Times of Somebody*
