Duncan Sr. D.D. D.Re. Ph.D, 2015-09-02 In light of the new wave of Pseudo religion Ideology it is necessary to give a concrete response to it Same Sex marriages have been put forth as a new civil rights issue Which it must be determined whether it is Civil or Right Should credence be given to Homosexuality to be recognize by religion or government as a new moral or immoral privilege Only Species have the rights to exist When this lifestyle cannot produce off springs it does not exist The concept is pseudo philosophy or pseudo religious It must be governed by the same law and principles of other species Homosexuals should be restricted to the species of the human family Homo Sapiens Male and Female This then will destroy the idea of it **Islam: A Brief Look at Faith and History (Revised Edition)** Hafiz Ikhlas Ansari, 2017-02-26 Paperback Islam has influenced and continues to influence many cultures around the globe It is shaping history cultures and civilizations Sadly most of us only receive a two dimensional look at Islam a view that is often distorted by the brevity of the media sound bites or by opinionated agendas Our intention with this book is to present Islam its teachings and the history of those who follow it It is not a comprehensive study nor should it be seen as definitive Rather it should be used as a stimulus for further detailed study We hope and pray that this effort becomes a source of promoting much needed harmony peace tolerance and coexistence in the human family This can be done through school education systems interfaith sessions mosque

A Closer Look at Islam Syed B Ali,2016-11-09 Religious leaders and reformers have always had a hard time in their day They have been ridiculed and rejected and many of those who supposedly accepted them have been either weak in spirit or manifest enemies in disguise Subsequent generations of the faithful have clashed in their understanding of the master s teachings spawning the rise of different interpretations Moses and Jesus were troubled not only by their enemies but also by weak people among the faithful Islam was not destined to fare much better Historical accuracy was sacrificed to meet the needs of a divided community And in due course Islam s sacred scripture essentially a compilation of revelations to Muhammad was hijacked by literalists who distorted its message A Closer Look at Islam attempts to show that the arguments of some critics are based largely on misinformation and that Islam would be better understood by a more serious study of its scripture and the lives of some of its role models It also discusses poorly based conjectures that Muhammad was more myth than fact and the arguments of prominent atheists about the existence of a Supreme Creator [A Study Guide for Randa Abdel-Fattah's "Does My Head Look Big in This?
