The Red Door Iain Crichton Smith, 2013-11-07 When the breathing got worse he went into the adjacent room and got the copy of Dante. All that night and the night before he had been watching the dying. When a mirror was required to be brought she looked at it moving her head restlessly this way and that. He knew that the swelling was a portent of some kind, a message from the outer darkness, an omen. The Dying. Although best known as one of Scotland's greatest modern poets, Iain Crichton Smith was also prolific as a writer of short stories. These pieces form a central part of his oeuvre demonstrating the full range and versatility of his literary talent. From humour to tragedy, from inner monologues to extrovert surrealism, the diversity of his writing indicates the extraordinary range of his own reading and mental world. Crichton Smith wrote short stories throughout his life. Some are fragments, others almost novellas, and the best of them all show him to be an author of unique sensitivity and intelligence. These two collections comprising the complete English stories include over 45 stories never before published in book form as well as others that have been out of print for many years, thus making it possible to judge Crichton Smith's achievement as a writer in full. Incorporates stories from *Survival Without Error*, *The Black and the Red*, and *The Village*.

Look for Her Emily Winslow, 2018-02-13 Everyone loves a beautiful missing girl. Look For Her ratchets up the tension while also offering moments of sheer grace. Riley Sager, bestselling author of *Final Girls*. Beautifully written with an expertly twisty surprising story, this is a must-read. Chevy Stevens, New York Times bestselling author of *Never Let You Go*. Lilling might seem like an idyllic English village, but it's home to a dark history. In 1976, a teenage girl named Annalise Wood disappeared, and though her body was later discovered, the culprit was never found. Decades later, Annalise maintains a

perverse kind of celebrity and is still the focus of grief speculation and for one young woman a disturbing escalating jealousy When DNA linked to the Annalise murder unexpectedly surfaces cold case detective Morris Keene and his former partner Chloe Frohmann hope to finally bring closure to this traumatized community But the new evidence instead undoes the case s only certainty the buried body that had long ago been confidently identified as Annalise may be someone else entirely and instead of answers the investigators face only new puzzles Whose body was unearthed all those years ago and what happened to the real Annalise Is someone interfering with the investigation And is there a link to a present day drowning with eerie connections With piercing insight and shocking twists Emily Winslow explores the dark side of sensationalized crime in this haunting psychological thriller *Young Oologist* ,1921 *The Sea Watch* Adrian Tchaikovsky,2011-02-04 The Sea Watch is the sixth book in the critically acclaimed epic fantasy series Shadows of the Apt by Adrian Tchaikovsky Danger lurks beneath dark waters A shadow is falling over Collegium Despite the tenuous peace Stenwold Maker knows that the Empire will return for his city Even as he tries to prepare for the resurgence of the black and gold army a hidden threat is working against his people Ships that sail from Collegium s harbour are being attacked sunk by pirates Some just go missing Lulled by the spread of lies and false promises Stenwold s allies are falling away He faces betrayal on every side and the Empire is just waiting for the first sign of weakness to strike But they are not the only power that has its eyes on Collegium And even with all their military strength and technology they may not be powerful enough to stave off the forces massing in the darkness The Sea Watch is followed by the seventh book in the Shadows of the Apt series Heirs of the Blade **My Mother/My Self** Nancy Friday,1997-09-08 When Nancy Friday began her research for My Mother My Self in the early 1970 s no work existed that explored the unique interaction between mother and daughter Today psychotherapists throughout the world acknowledge that if women are to be able to love without possessing to find work that fulfills them and to discover their full sexuality they must first acknowledge their identity as separate from their mother s Nancy Friday s book played a major role in that acceptance The greatest gift a good mother can give remains unquestioning love planted deep in the first year of life so deep and anassailable that the tiny child grown to womanhood is never held back by the fear of losing that love no matter what her own choice in love sexuality or work may be Through candid self disclosure and hundreds of interviews Friday investigates a generational legacy and reveals the conflicting feelings of anger hate and love the daughter s hold for their mothers and why they so often become that mother themselves **How to Write a Novel in 90 Days** Conrad Jones,2013-10-21 This concise guide tells you how to write a novel by using a systematic approach to writing This guide is written by an author not a guru A simple step by step breakdown of how to plan each day No fillers and no theory just the hard facts in a concise guide There are many guides about writing novels on the market but how many of them are written by prolific published authors The answer is not many How can anyone write a guide unless they have been through the writing process many times before The simple answer to this question is they can t because they cannot feed on their own actual

experiences to help another writer to avoid the mistakes and pitfalls Most guides regurgitate information which they have picked up from creative writing books or sites How can they give you advice when they have never sat down and focused on creating a novel which will sell many times over Writing a novel is the same as any other task we undertake as individuals We have to learn how to do it in order to do it well When you first learn to drive you need lessons No one walks into the kitchen and creates a gourmet dish on their first attempt If you want a system to apply to writing a book then you need to take advice from an author who has taken years to develop the process via experience **A Boy from China** Richard T.
