Looking For God A Seekers Guide To God:

Looking for God : a Seeker's Guide to God Woodbury, Clair,1983 **The Seeker's Guide to Faith** J. Peter Baumgarten,2020-11-23 The Seeker s Guide to Faith confronts and answers the thirteen principal arguments against God that are now advanced by modern secularist movement sometimes called New Atheism using the powerful insights and teachings of The Church of Jesus Christ of Latter day Saints There are many books written to encourage faith for people who are experiencing doubts about God generally However this book is the only one of its kind by a Latter day Saint author that directly and specifically challenges all the main arguments against faith in God that are now aggressively asserted by the belligerent modern secular movement Its uniqueness is enhanced by the fact that the doctrines and teachings of The Church of Jesus Christ of Latter day Saints are used whenever applicable to effectively answer the challenges raised by this movement This author believes that the unique teachings and insights of the Church are better suited than those of any other faith for answering those challenges Furthermore the author s professional and volunteer activities have afforded him the opportunity to know and work with people of nearly all religious backgrounds in nearly all walks of life Recent experiences have led him to examine the reasons many apparently intelligent people reject faith His legal background and training have aided him in spotting and understanding the weaknesses and flaws of the logical underpinnings of atheism His Gospel upbringing as a member of The Church of Jesus Christ of Latter day Saints has helped him see through the fog of the dogma and arguments of atheism to the More Excellent Way afforded by the Gospel s plan of happiness He hopes The Seeker s Guide to Faith will help others who stand at the crossroads of their doubts to find their faith in Heavenly Father and His Son Jesus Christ Looking For God Steven S. Seekers in the Hands of an Elusive God Jeffery M. Leonard, 2025-06-17 Some Christians experience the presence of God as readily as they feel a pleasant breeze or sunshine For others God s presence is often much more difficult to find Like the psalmists we struggle with asking Why O Lord do you stand far off Ps 10 1 At least part of the dynamic in this struggle lies in the fact that Scripture presents God as both everywhere and mysterious at the same time As Paul told the sages of the Areopagus In him we live and move and have our being yet it is God s will that we search for God grope for him and find him Acts 17 27 28 God is as present with his people as the tabernacle was with ancient Israel and yet even the tabernacle was meant to illustrate the fact that God cannot be pinned down contained or controlled We live in the tension of worshipping a God who is everywhere and yet must be sought Seekers in the Hands of an Elusive God explains the scriptural dynamic of this omnipresent but elusive God It is when we fail to search for God that our view of who God truly is becomes distorted and our own spiritual health diminishes when our relationship with God lacks this pursuit But how then are we called to seek God This book considers a variety of avenues in Scripture nature humanity worship silence doubt suffering death and joy In all these ways even those of us who wrestle with spiritual loneliness can join with saints of the past in pursuing the face of God

Seeking God Trevor Hudson, 2023-02-06 Jesus promised Seek and you will find Do you long for a transforming encounter with the living God Jesus assures us that those willing to become seekers will find what their hearts

Sadleir,2008 **A Seeker's Guide to Christian Faith** Ben Campbell Johnson,2000 This Christian primer is for those who are asking the question How can I experience God A Seeker s Guide to Christian Faith serves as a simple introduction to the most basic understandings of the Christian faith and will help new believers and long time believers too begin the journey toward knowing God Ben Campbell Johnson has written 31 brief easy to read articles or guidances to help seekers begin to deepen their faith He gently leads the reader through the daily tenets of Christian living including prayer scripture reading meditation outreach and listening to God and helps them understand the importance of living faithfully In ordinary language free from church jargon the guidances are organized in six overarching themes essential to the Christian faith Getting Your Bearings Naming Your Hunger Learning a New Language Discovering the Book Expressing the Faith and Reaching Farther This little book will encourage people who are mostly new to the faith to make sense of inner longings and to recognize that God has always been present in their lives **Holistic Guidance** C. Drago,2003 *God Seekers* Richard H. Schmidt,2008 **Searching for God, Finding Love** Teresa Leshar,2024-02-09 Searching for God not only offers an inspiring emotional insight to the author s journey to and through Islam it beautifully maps out Islamic principles in an understandable and relatable way Truly a five star read Ameena Blake Muslim scholar UK A story of a Christian who always carried Islam unknowingly in her heart until she finally discovered it then artistically crafted her experience with a feather Rarely does a book touch my heart and inspire me like that Fadel Soliman Bridges Translation of the Ten Qira at of the Noble Quran One of my earliest memories is of contemplating God I was a freckle faced girl of five sitting quietly in catechism class when the teacher casually said God is bigger than everything The words hit me like a blast force The classroom disappeared the teacher s voice muted and I gasped at the revelation Bigger than the tallest tree in the yard Bigger than a mountain Bigger than the world The enormity of God impressed me but I couldn t help wondering If He is bigger than anything where is He In this inspirational memoir Teresa Leshar shares her search for God She explores factors that have made her who she is as well as influencers who shape who she aspires to be and who lead her in her quest for the Divine She dissects basic concepts that have been essential for her understanding of God as well as paradigms that shape her experience of Him She shares her journey along the Divine Path and closer to Divine Presence through expressions of submission to Him This quest for God takes her to her

innermost self and ends with a discovery of life an understanding of love and a commitment to truth *Luther's Outlaw God* Steven D. Paulson,2019-09-03 In this second of three volumes addressing Luther s outlaw God Steven D Paulson uses several biblical figures Ezekiel Jonah Moses David and more to illustrate Luther s understanding of law and gospel and what this means for preaching Paulson shows that the challenge of all preaching is revealing God s actual grace without using the law at all The gospel is what freed Luther from thinking of the world as split into two an obscure world where law accuses and a magical world where the law blesses With remarkable depth and clarity Paulson explores the question Where do we find a gracious God For Luther it was not in the law but only in the publicly executed and hated God Jesus Christ hidden in the cross *Dancing with God* Karen Baker-Fletcher,2006-12-01 Dancing With God is an exploration of the divine gifts of courage and grace in the face of evil Moreover it is a doctrine of God as the source of that courage Baker Fletcher presents an understanding of the work of the Trinity with regard to the problem of crucifixion a metaphor she uses for unnecessary violence She develops a process of relational womanist theology that considers the empathetic omnipresence of God in the midst of unnecessary suffering and the healing power of God in movement of the Holy Spirit She engages the contributions of a diversity of theologians like Paul Tillich Karl Barth Gordon Kaufman John Cobb Jr Majorie Suchocki Charles Hartshorne Andrew Sung Park and Katie Cannon in her discussion of the dance of the Trinity in creation and the problem of sin evil and suffering Through creative works like that of Alice Walker s *The Color Purple* and journalist Joyce King s account of the James Byrd Jr murder in Jasper County Texas Baker Fletcher reveals the healing encouraging power of the Holy Spirit in the lives of survivors of unnecessary violence *Seeking God in All Things* William E. Reiser,2004 The practice of spiritual direction assumes a theology of the Holy Spirit a theology of revelation and of the Church and a theology of prayer Seeking God in All Things explores each of these themes as the underpinnings of spiritual direction and examines what makes the Christian religious experience distinctive Since not every experience of God bears a Christian imprint William Reiser SJ asks whether and in what way a Christian might be able to assist someone who is not Christian in developing his or her interior life This question looks beyond suggesting the concrete steps a person might take in initiating nurturing and solidifying a way of praying It looks rather toward the fundamental issue of helping others as they discover and deepen their relationship to the mystery of God Chapters are It Is God Who Directs Imagining Divine Action in Human Lives Where Do Holy Desires Come From What s Distinctive About the Christian Religious Experience Further Elements of Christian Distinctiveness The Incarnation as a Starting Point for Spiritual Direction and Should Christian Spirituality Move Beyond Jesus William Reiser SJ PhD is a professor of theology in the religious studies department at Holy Cross College Worcester Massachusetts Over the past twelve years he has also served as an associate staff member at the Center for Religious Development in Cambridge He is the author of *Jesus in Solidarity with His People* published by Liturgical Press **Historical Dictionary of the Seventh-Day Adventists** Gary Land,2014-10-23 Seventh day Adventism was born as a radical millenarian sect in nineteenth

century America It has since spread across the world achieving far more success in Latin America Africa and Asia than in its native land In what seems a paradox Adventist expectation of Christ s imminent return has led the denomination to develop extensive educational publishing and health systems Increasingly established within a variety of societies Adventism over time has modified its views on many issues and accommodated itself to the delay of the Second Advent In the process it has become a multicultural religion that nonetheless reflects the dominant influence of its American origins This second edition of Historical Dictionary of the Seventh Day Adventists covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries on key people cinema politics and government sports and critics of Ellen White This book is an excellent access point for students researchers and anyone wanting to know more about Seventh day Adventism

The a to Z of the Seventh-Day Adventists Gary Land,2009-07 Covering the Millerite movement of the 1830s and 1840s sabbatarian Adventism prior to organization of the denomination and the Seventh day Adventist Church since its organization in 1861 63 this volume provides a comprehensive history of the denomination

The A to Z of the Seventh-Day Adventists Gary Land,2009-07-29 Covering the Millerite movement of the 1830s and 1840s sabbatarian Adventism prior to organization of the denomination and the Seventh day Adventist Church since its organization in 1861 63 this volume provides a comprehensive history of the denomination The first major element of the book is a chronology of Adventist history that begins with William Miller s conclusion in 1818 that the Second Advent of Jesus would occur about 1843 and extends through the Science and Theology Conferences of 2002 04 The interpretive introduction that follows places the emergence of Adventism within the context of the Second Great Awakening describes the development of sabbatarian Adventism from its early opposition to church organization to its highly institutionalized and bureaucratically structured contemporary form and examines the denomination s geographical expansion from a small North American sect to a global church The dictionary entries that constitute the bulk of the volume address individuals organizations institutions and doctrines that have been important in the history of the church including dissident movements and individuals who have emerged as critics of the denomination and its beliefs Second there are entries on the development and current situation of Adventism in many individual countries Finally thematic entries on such subjects as art music literature health care and women address other elements important to understanding church life The dictionary entries are followed by a bibliography of scholarly and popular works published by the denomination commercial and academic presses and individuals and organizations
