of publishing silence In Mick A Life of Randolph Stow Suzanne Falkiner unravels the reasons behind Randolph Stow s quiet retreat from Australia and the wider literary world Meticulously researched insightful and at times deeply moving Falkiner s biography pieces together an intriguing story from Stow s personal letters diaries and interviews with the people who knew him best And many of her tales from Stow s beginnings in idyllic rural Australia to his critical turning point in Papua New Guinea and his final years in Essex England provide us with keys to unlock the meaning of Stow s rich and introspective works The overriding virtue of this book is Falkiner s steady trust in the intelligence of her readers She spells very little out presenting us instead with this carefully curated wealth of textual evidence Kerryn Goldsworthy Australian Book Review Finally we have some sense of the wounds that shaped and animated Stow s poetry and fiction Geordie Williamson The Australian Suzanne Falkiner s prodigious biography of Randolph Stow is a book long awaited by many not just the literati of his native Australia but those countless readers who feasted on his novels and wondered what kind of person could write with such imaginative power Not only do we come to appreciate what led this renowned Australian writer to create his celebrated fictional works but we are also given rare glimpses into the inner world of this most private individual whose personal demons included a dependence on alcohol two suicide attempts and struggles with homosexuality Falkiner cut her teeth on six previous biographies which stood her in good stead to tackle this challenge Against significant odds she has done a masterful job in painting a portrait of one of Australia s most revered writers somewhat akin to what compatriot David Marr did for Nobel Prize winning author Patrick White It will no doubt send readers scurrying back to Stow s novels which as Marr once said is the best news a biographer can hear World Literature Today January February 2017 Subject Biography Literary Criticism [The Anchora of delta gamma summer 1975](#) , [The Routledge Companion to Global Renaissance Art](#) Stephen J. Register, New York ,1908 Genre and Women's Life Writing in Early Modern England Michelle M. Dowd,Julie A. Eckerle,2016-04-15 By taking account of the ways in which early modern women made use of formal and generic structures to constitute themselves in writing the essays collected here interrogate the discursive contours of gendered identity in sixteenth and seventeenth century England The contributors explore how generic choice mixture and revision influence narrative constructions of the female self in early modern England Collectively they situate women s life writings within the broader textual culture of early modern England while maintaining a focus on the particular rhetorical devices and narrative structures that comprise individual texts Reconsidering women s life writing in light of recent critical trends most notably historical formalism this volume produces both new readings of early modern texts such as Margaret Cavendish s autobiography and the diary of Anne Clifford and a new understanding of the complex relationships between literary forms and early modern women s selves This volume engages with new critical methods to make innovative connections between canonical and non canonical writing in so doing it helps to shape the future of scholarship on early modern women **Social Register, Seattle** ,1914 Encyclopedia of London's East End Kevin A.
