Hirsch, 2020-03-25 Sandra Day O'Connor has called the gay rights movement the first important civil rights struggle of the twenty-first century Recent court decisions to overturn sodomy laws and to recognize gay marriage have emboldened activists but have also resulted in a tremendous backlash not the least of which has been a call for a constitutional amendment defining marriage as only between members of the opposite sex Through its historical and legal contextualization of these decisions The Future of Gay Rights in America is essential for understanding an epochal moment in the history of gay rights **The London Gazette**, 1889 **Chief Contemporary Dramatists** Thomas Herbert Dickinson, Thomas H. sight of the illumination that drove him the abiding rapture he wrote in his diary which makes a bus in the street sound like an angel choir
