Every Day Nancy Nix-Rice, 2014-09-01 Any woman can look and feel lovely regardless of her age bank balance or pant size and Looking Good Every Day defines a simple yet sophisticated standard for women to determine exactly which clothes and accessories will showcase their unique beauty The points of connection method explains that the more characteristics that exist in common between a woman and her outfit the more lovely she will look It shifts emphasis from hiding her perceived figure challenges and focuses on spotlighting her personal assets By choosing wardrobe additions in this way everything in her closet will work together She has more outfits from fewer garments allowing her to buy higher quality garments without increasing her budget Photography of real women ranging from 22 to 80 years old and from size 4 to 24 illustrates the universal impact points of connection make in their appearance *Wake up Black Man and Black Woman* Alpha Omega Riddick, 2010-07-08 Black people of America we need to stop reading books about thug life and street life We need to read books that will open our minds to ideas and issues that will help us and our families and the future of black generations of this country Black people of America we were here before most of the other nationalities that are here now We should be in a much better financial situation than we are in now Most of us are at the bottom or near the bottom of the economic scale as a whole We have to learn from the foreigners that stick together and open up businesses in our community Plus we have to stop giving our hard earned money to other nationalities and none to ourselves in a way we are still slaves I wrote this book to inspire Black

Americans to open their eyes to the positive changes we need to make to help our families and future black generations in America. This book shows how we are living compared to other nationalities in America as well as the factors that are holding us back as a whole. We must remember our ancestors and the sacrifices they made when they were slaves. They were the strongest people in the world and we are their descendants. I feel they were superhuman beings to make that trip from Africa to America. We as black Americans have that same ability in us to survive. Remember we are the alpha race. We need to wake up and stop hitting the snooze button. May God bless this book and everyone that reads it. **Welcome to Leo's** Rochelle Alers, Donna Hill, Brenda Jackson, Francis Ray, 2000-12-15. Stories in this African American romance anthology all take place in a Washington D C supper club called Leo's where patrons enjoy rich Southern food, drink in the soulful sounds of live jazz and maybe even fall in love. Includes stories from authors Rochelle Alers, Donna Hill, Brenda Jackson and Francis Ray. **Dark Circle Fix** Mira Skylark, AI, 2025-03-13. Dark Circle Fix offers a comprehensive guide to understanding and addressing the causes of dark circles and puffiness, focusing on practical evidence-based strategies to rejuvenate your appearance. The book emphasizes that consistent self-care rather than expensive procedures can significantly improve the appearance of tired eyes. It challenges the idea that invasive treatments are the only solution, empowering readers to take control through manageable lifestyle adjustments and skincare. The book explores how factors such as skin pigmentation and lymphatic drainage contribute to dark circles, highlighting the critical roles of sleep and hydration. For example, studies show insufficient sleep directly exacerbates dark circles while proper hydration maintains skin elasticity. The book then delves into topical treatments, evaluating ingredients like retinoids and vitamin C and provides guidance on incorporating them into a daily routine. The book progresses by first building foundational knowledge, then focusing on sleep habits, hydration techniques and finally topical treatments. This holistic approach to health and fitness, combining lifestyle modifications with skincare, sets it apart, offering a sustainable path to brighter, healthier looking eyes. **DirtySexyScot** Melissa Blue, 2018-02-27. A veteran's heart is so ready for a home. The list of things Kincaid didn't want to do after leaving the service could kill a rain forest if he wrote them down until Mia. She surprises him when nothing else does. She's dead sexy and appears as an adventuress as her travels. As a former SBS member, he knows all too well how the truth can hide underneath the surface. He suspects he could easily become a casualty, another man forgotten as her next destination tempts her away.
