important than the message of the bard The real day to day Burns was irascible stubborn minded independent controversial and opinionated He detested many of his social superiors within the feudal order and attacked them as hypocrites and oppressors of the common people The voice of Burns always in the language of the people and his idealist vision of a better world endeared him as a poet of humanity the world over Drawing from Burns existing canon of poetry and letters plus some newly attributed works suppressed for over two centuries this life story is a roller coaster narrative that charts the success and untimely death of the greatest songwriter of all time the real Robert Burns
