Lord I Haven't Talked To You Since The Last Crisis But:

Lord, I Haven't Talked to You Since the Last Crisis, But & Lorraine Peterson, 1994 For teens growing up in a post Christian society Lorraine Peterson brings a most important message Make prayer a living vital part of your life and then you ll be able to face whatever life throws at you Still Waiting Ann Swindell, 2017 What if God wants you to wait Most of us don t willingly choose to wait We pick the shortest lines at the grocery store and avoid construction routes whenever possible These are relatively short holdups but they point to the deeper truth of what we try to evade on the larger scale of our lives the anguish and heartache we experience during extended times of waiting when something we have hoped for gets delayed Because waiting is painful and hard too often we try to rush through it seeking to jump ahead to the hoped for resolution opportunity or healing It s easy to overlook that waiting is an inevitable part of our walk with God In Still Waiting Ann Swindell explores the depths of why God wants us to wait by chronicling her own compelling story of waiting for healing from an incurable condition She provides a vibrant retelling of the biblical account of the Bleeding Woman finding parallels with her own journey and yours What is your heart waiting for Let Ann help you see the promise that is hidden in the ache of waiting and the hope of what God can and will do as you wait on him Contending for the Faith Ralph C. Wood, 2003 In this book Ralph Wood calls for churches to offer a sustained an unapologetically Christian witness to a postmodern world Wood carefully chronicles how the church is watching the complete destruction of post Christian institutions and practices that once shaped human character toward fulfillment in goods larger than humanity s own self interest the chief of these being the worship and service of God Wood contends that Christian existence can never be taken for granted and so the church itself must seek to create a Christian culture that offers the world a drastic alternative to its own cultureless existence
