**VeggieTales** Dalmatian Press,2005-09-10      **The Lord of the Beans** Phil Vischer,2005 Toto the Flobbit receives a magical bean but first he must travel through the Razzberry Forest to get advice from the Trees about how best to use this special gift      **The Commoner** ,1902      **The Lords of the Valley** LaVerne Hanners,1996-01-01 Lord and Hanners both describe a way of life that demanded toughness stoicism commitment and humor when possible but their recollections take an interesting counterpoint Following the branding and castration of a thousand young bulls Lord insists that the entire town came with buckets to carry the testicles home They were really meat hungry Hanners insists however that cooking and eating mountain oysters was strictly a masculine endeavor pursued by the men after the women had vacated the kitchen When Lord matter of factly describes being left alone at a young age to trail cattle in Indian Territory Hanners observes that sixteen seems pitifully young to be so far away front home broke and hungry while agreeing that necessity often required such things      Open-Field Farming in Medieval Europe Warren Ault,2013-11-05 This book presents a detailed account of the co operative practice of agriculture in medieval England shedding much light on how medieval villagers governed their own affairs During this period co operation was essential in ploughing sowing and reaping with communal control of the pasturing of the fallow and stubble These practices were set out in customary by laws which were agreed to by common consent and villages themselves were greatly involved with their enactment and enforcement In the course of time many of the by laws were put into writing Professor Ault has travelled extensively throughout England collecting and researching these agrarian ordinances and translating them into modern English Since it was first published in 1972 this analysis has provided new insight into the organizational structure and governance of medieval villages in England and is essential reading for all those interested in the history of the Middle Ages      Every Other Sunday ,1903      *Lord Of The Beans* Big Idea DVD.,2005 Lord of the Beans follows the fantastic journey of a Flobbit named Toto Baggypants Junior Asparagus who inherits a most unusual and powerful bean With the help of his mentor Randalf and a spirited group of friends Toto embarks on a mission to discover how he should use his gift On their quest the group encounters many challenges including crossing the mountains of Much Snowia and facing the dreaded Lord Scaryman who seeks the bean for misguided selfish reasons Will Toto discover the purpose of his gift or wil the scary dude and his Spork army capture the bean and wield its awesome powers      *Lords of the Land, Lords of the Sea* Hans Hägerdal,2012-01-01 European traders and soldiers established a foothold on Timor in the course of the seventeenth century motivated by the quest for the commercially vital sandalwood and the intense competition between the Dutch and the Portuguese Lords of the Land Lords of the Sea focuses on two centuries of contacts between the indigenous polities on Timor and the early colonials and covers the period 1600 1800 In contrast with most previous studies the book treats Timor as a historical region in its own right using a wide array of Dutch Portuguese and other original sources which are compared with the comprehensive corpus of oral tradition recorded on the island From this rich material a

lively picture emerges of life and death in early Timorese society the forms of trade slavery warfare alliances social life and so forth The investigation demonstrates that the European groups although having a role as ordering political forces were only part of the political landscape of Timor They relied on alliances where the distinction between ally and vassal was moot and led to frequent conflicts and uprisings During a slow and complicated process the often turbulent political conditions involving Europeans Eurasians and Timorese polities paved the way for the later division of Timor into two spheres of roughly equal size

*Lords of the Host* Isaac Hill Sr.,2016-04-04 Love must win but to blood thirsty warmongers love is a sentiment best enjoyed after the battle is won and the carnage of their victory can be gloated over There is clearly a distinction between love and true love One is obtained by deeds of mercy and sacrifice with patience while the other demands instant gratification for its pretense And iniquity is aware of this and it wears many disguises as any covert double agent would Iniquity strikes at the heart of the contention between war and peace with elements of surprise that cause each side to yield to its objective which is the annihilation of all existence ever hoping that it is not recognized for what it is the common enemy in disguise People who yield to the temptations of lies and deception are the prodigy of iniquity that survive on the advice and potency of reprobate sinners They heed Satans call in broad daylight not resting until evil is accomplished and they squirm at night in the mire of iniquity which has become a real and true resting place for them as they tally the dead and what has been destroyed in their minds eye before they sleep

Lords of the Lebanese Marches Michael Gilsenan,1996-01-01 Michael Gilsenan looks at the relations between different forms of power violence and hierarchy in Akkar the northernmost province of Lebanon during the 1970s Often regarded as backward and feudal in reality this area was controlled primarily by groups with important roles in government and business in Beirut The most feudal landowners had often done most to introduce capitalist methods to their estates and backwardness was a condition produced by this form of political and social control Gilsenan uses material from his stay in Akkar and a variety of historical sources to analyze the practices that guaranteed the rule of the large landowners He traces shifts in power and he examines the importance of narratives and rhetoric in constituting social honor collective biography and shared memory forgetting His lively account shows how changes in hierarchy were expressed in ironic commentary regarding idealized masculinity and violence how subversive laughter and humor counterpointed the heroic ethic of challenge and revenge and

how peasant narratives both countered and reproduced the values of hierarchy      **The Lamp [ed. by T.E. Bradley].**
