Sharing in God's Presence Roy D. Kindelberger,2018-10-05 Sharing in God's Presence means far more than getting saved and experiencing God's blessing in our lives As believers his presence becomes a very personal part of who we are and what we do God actually shares himself with us The language that we use often fails to capture the depths of God's nature penetrating ours the fullness of his Spirit permeating our hearts and the innermost

infusion of his presence in our lives But the truth couldn't be more intimate The person who is joined to the Lord is one spirit with him 1 Corinthians 6:17 This book is an invitation to share in God's presence by allowing God to share himself with you God wants everyone to share in his embrace As we accept our responsibility for prayer ministry and even revival we share in the very precious dynamic of give and response that's involved in an intimate walk with Jesus Christ For a general readership this book is a reworking of material from the second half of the author's academic work *God's Absence and the Charismatic Presence* *The Secret to Experiencing God's Presence* John Belt, 2018-07-03 How Believers Can Experience God's Presence Every Day It's easy to feel close to God while worshiping in church raising our voices and our hearts with other believers as his presence permeates the atmosphere Unfortunately for many Christians this is the only place they experience God's presence But the Sunday morning experience shouldn't be the exception it should be the norm With wisdom and insights gained from years as a pastor and worship leader John Belt has helped thousands of believers overcome seasons of spiritual dryness and encounter God's presence every day and he can help you do the same Full of inspiring stories and practical tools this book outlines simple steps to experiencing God personally reveals potential roadblocks and gives you the keys to overcoming them Here is the secret to experiencing God's presence and living victoriously and abundantly every single day *Experiencing God's Presence* Sarah Young, 2015-07-28 In *Experiencing God's Presence* the first study in the Jesus Calling Bible Study Series you will learn how God hears your prayers and speaks directly into the situations in which we find ourselves Be encouraged to lay down your cares and just spend time each day with your heavenly Father As you follow the Lord's instruction to be still and know that I am God Psalm 46:10 you will encounter His peace be filled with His strength gain a new perspective on your situation and experience the full life that only He can provide Sessions Include God's Presence Invites You God's Presence Restores You God's Presence Strengthens You God's Presence Brings You Peace God's Presence Awes You God's Presence Saves You God's Presence Gives You Joy God's Presence Empowers You Each of the Jesus Calling Bible Studies include devotional readings from Jesus Calling selected passages of Scripture for reflection Bible Study questions and additional questions and activities to help you apply and live out the material This study can be used for personal reflection and Bible study or in a small group setting **Timeless Truths in Changing Times** David C. Sinners in the Presence of a Loving God R. Zachary Manis,2019-06-03 Why would a perfectly good and loving God consign anyone to eternal suffering in hell In *Sinners in the Presence of a Loving God* R Zachary Manis examines in detail the various facets of the problem of hell considers the reasons why the usual responses to the problem are unsatisfying and suggests how an adequate solution to the problem can be constructed Historically there are four standard explanations of the nature and purpose of hell traditionalism annihilationism the choice model and universalism In Manis s assessment all are deficient in some crucial respect The alternative view that he develops and defends the divine presence model stands within the tradition that understands hell to be a state of eternal conscious suffering but Manis contends avoids the worst problems of its competitors The key idea is that the suffering of hell is not the result of a divine act that aims to inflict it but rather is the way in which a sinful creature necessarily experiences the unmitigated presence of a holy God Heaven and hell are not two places to which the saved and damned are consigned respectively but rather are two radically different ways in which different persons will experience the same reality of God s omnipresence once the barrier of divine hiddenness is finally removed
