WHY BAD THINGS HAPPEN TO GOOD PEOPLE GODSWORD GODSWILL ONU, 2015-03-30 Many people wonder why bad things happen to good people You have to realize that there are many things which are hidden from us and they are known to God And we do not have to worry ourselves to know about many of them especially when knowing the true nature and reason may not avail any good We are not God and we cannot know everything Yet God reveals what He wants us to know to us The Spirit of God reveals many things to us but He reveals what God wants us to know And you may not have to use what God told you about a situation to generalize and apply it to some other situations If you do you may be erring and deceiving yourself and others

Living with Brain Injury J. Return of the Stargods Richard Vizzutti,2003 *Return of the Stargods* reveals how the ancient alien gods of old will soon return to establish a New World Order of satanism The book also

takes the reader though the Bible showing a vast amount of scriptures that the churches ignore or will not deal with Scriptures reveal that there is a fifth column that lives among us that are working against God s children in establishing a New World Order as an ultimate goal They are the ones among us that are waiting for their father to return to them as the beast who will crush all opposition to his rule But this will not take place until the Rapture of the church takes place first The Bible is also very clear that a government of fallen angels now runs this earth They run all aspects of our matrix reality and remain hidden behind a shadow government There are strong indications in scripture that here is also royalty of non humans called the Reptilians and Nephilim that rule over us They are the ones that have come from hell to transform themselves into rulers of this world The Return of the Stargods makes a good case for all this strangeness by using scripture and not just opinions and hearsay This book is very deep and not meant for shallow Christians that believe in Church doctrine and not Bible doctrine This book is a must for those Christians that want a deeper understanding of endtimes and spiritual warfare It will teach you how to see all the people around us for what they really are so that we can best protect ourselves from these predators Return of the Stargods is an introduction to the reality that lies outside the box If you are a discerning Christian who regards scripture as the final authority and not church then this book is a must read Sharing Testimony Johnny Saucedo,2023-11-17 Hello this book Sharing Testimony is all about what God can teach you in order for you to live a great life for you and all your loved ones It can help you teach your friends also but it has many words that the Word of God has so you can see what he says he wants you to know I can help you see things differently from what you think you know but after you go through it it can help you change in the way God wants you to change in order for you to be closer to him For he will always love you and send you things to go through or just to walk away from at times May you be without sin and closer to his Son Jesus Christ as you live your life God bless you and don t forget to pray each day to him as you get up in the morning
